Cyber Security : Be aware! Connect with care! BIJENDER MISHRA, When it comes to cybersecurity everyone needs to be part of the solution if we ever hope to slow the rising tide of cyberattacks Nearly 4 5 billion people about 60% of the world s population were actively online last year Every one of these individuals conducted business shopped handled their finances or browsed for information using a computer tablet smartphone or some other connected device at home or work But while greater global connectivity brings a wealth of benefits we often fail to recognize that all of these connected people pose a potential cyberthreat to themselves and those around them As consumers we have reached an important crossroads we want high tech companies and government agencies to protect us from cyberthreats yet we too bear responsibility for securing our connected systems and data If we ever hope to slow the rising tide of cyberattacks everyone needs to be part of the solution
