**Postdigital Disconnects** Marion Mathier,2023-03-22 This book employs a critical discourse ethnographic approach to map the production of social meaning in digital media in education drawing on insights from Switzerland to unpack the disconnects that arise in thinking postdigitally and ways forward for rethinking socio cultural approaches Grounded in Foucault influenced linguistically oriented discourse studies the book calls attention to the ways in which educational discourse has increasingly promoted digital media as a means of justifying curriculum change Using data from policy documents participant observation and interviews Mathier charts how this rhetoric manifests itself in the combination of top down policies on the ground implementation and the lived experiences of students outside the classroom and in turn surfaces broader disconnects The volume explores how digital education is increasingly shaped by platform capitalism how young people s experiences are disregarded in formal knowledge production and how the prevalence of digital teaching and learning contributes to issues of access and inequality Through a critical discursive approach Mathier demonstrates the need for literacy practices in postdigital education to interrogate the ways in which digital media and education are entangled in larger socio political practices This book will appeal to students and scholars in critical discourse studies critical literacy studies digital communication education research and linguistic ethnography

*Impact of Influencer Marketing on Young*

*Women's Customer Experience on Cosmetic Products* Jule Prescher, 2023-06-06 Bachelor Thesis from the year 2023 in the subject Communications Multimedia Internet New Technologies grade 1 3 University of applied sciences Cologne language English abstract This thesis aims to realize how influencer marketing performs and its impact on the Cx Therefore the research addresses the following questions How powerful are influencers these days What is different about influencer marketing and why is it a successful strategy How do people perceive information shared by influencers and which factors are decisive for potential customers to purchase products advertised by influencers What impact does an influencer have on the overall Cx The internet has been fully integrated into people s daily lives worldwide over the past years The percentage of the world s population with access to the internet has doubled from 32% in 2011 to 63% in 2021 90% of people from developed countries access the internet in 2021 At the same time the number of social network users is increasing These networks have the purpose of connecting with friends In 2022 5 billion people have access to the internet worldwide and 4 7 billion people use social media SM Ultimately 93% of those with internet access own at least one SM account that is more than half the population worldwide Through time companies found new marketing strategies which reached active people on SM These platforms are necessary to reach Generation Z people born in the late 1990s They are different and cannot be reached in the same way as they watch Netflix instead of TV or listen to Spotify instead of the radio for example Influencer marketing became a 10 billion industry in 2020 Influencers share their lives on SM networks Due to their high reach they receive offers from companies for cooperation Influencers followers admire and trust their recommendations due to their personal and authentic representation While advertising products influencers show how to use them where to buy them and give their opinion For higher sales influencers often receive promo codes for a discount or free products for each order
