Social TV Cory Barker, 2022-06-27 Winner of the 2023 SCMS Media Industries Scholarly Interest Group Outstanding Book Award sponsored by the Center for Entertainment Media Industries On March 15 2011 Donald Trump changed television forever The Comedy Central Roast of Trump was the first major live broadcast to place a hashtag in the corner of the screen to encourage real time reactions on Twitter generating

more than 25 000 tweets and making the broadcast the most watched Roast in Comedy Central history The trumproast initiative personified the media and tech industries utopian vision for a multi screen and communal live TV experience In Social TV Multi Screen Content and Ephemeral Culture author Cory Barker reveals how the US television industry promised but failed to deliver a social media revolution in the 2010s to combat the imminent threat of on demand streaming video Barker examines the rise and fall of Social TV across press coverage corporate documents and an array of digital ephemera He demonstrates that despite the talk of disruption the movement merely aimed to exploit social media to reinforce the value of live TV in the modern attention economy Case studies from broadcast networks to tech start ups uncover a persistent focus on community that aimed to monetize consumer behavior in a transitional industry period To trace these unfulfilled promises and flopped ideas Barker draws upon a unique mix of personal Social TV experiences and curated archives of material that were intentionally marginalized amid pivots to the next big thing Yet in placing this now forgotten material in recent historical context Social TV shows how the era altered how the industry pursues audiences Multi screen campaigns have shifted away from a focus on live TV and toward all day content streams The legacy of Social TV then is the further embedding of media and promotional material onto every screen and into every moment of life *The Tangled Garden* Richard Stursberg,2019-04-09 The emergence of Facebook Amazon Apple Netflix and Google the FAANGs has created an unprecedented challenge to Canada s news television and film businesses In this book Richard Stursberg offers a brief account often based on his insider s experience of how Canada s cultural industries were built And he explains that independent Canadian media and cultural industries are unlikely to survive due to the large share of ad dollars and audience attention captured by the big digital media companies Faced with similar challenges many governments around the world have responded by protecting and strengthening their national cultural life Canada stands out for its passivity Richard Stursberg identifies the path that would assure a strong continued news media and a reasonable share of audiences for Canadian creative work He warns that time for action is short and many more media outlets will soon disappear like the thirty six newspapers shut down by the Toronto Star Postmedia deal in 2017 Richard Stursberg s knowledge and experience across a wide range of cultural organizations in Canada make this an important and informative book on a topic of vital significance At the same time this is an engaging account for any reader who wants to continue to enjoy Canadian stories and hear Canadian voices in the media and on our screens **Fast Forward Investing: How to Profit from AI, Driverless Vehicles, Gene Editing, Robotics, and Other Technologies Reshaping Our Lives** Jon Markman,2018-11-02 Invest in the future Everything you need to capitalize on the tech revolution Our lives are on the verge of being reshaped by advanced technology Fast Forward Investing provides the knowledge and insight you need to build and maintain your portfolio accordingly Author Jon D Markman is a veteran tech investor money manager and award winning author of the popular daily newsletter Tech Trend Trader There s no one more qualified to help you design a portfolio that extracts huge profits from the
