Cashbook - Geldverdienen mit Facebook, Instagram, YouTube und Co. (Ungekürzt) Wolfgang Deutschmann, 1974
100 Millionen Euro hat Wolfgang Deutschmann mit seinen Unternehmen bereits online unter Einsatz von Facebook Instagram YouTube und Co bewegt In diesem Buch erklärt der 28 Jährige leicht verständlich wie jeder und jede erfolgreich ein Social Media Business aufziehen kann und wie Unternehmen von der Pizzeria bis zum Versicherungskonzern ihr Geschäftsmodell digitalisieren und ihren Umsatz steigern können *Perfect Happiness* Kristyn Kusek Lewis, 2020-06-09 From the beloved author of *Half of What You Hear* a perceptive and poignant novel about a woman discovering that her expertise can only get her so far in matters of the heart Charlotte McGanley knows happiness Just ask anyone who's read *Perfect Happiness* her bestselling book about how she a busy mother and professor used her no nonsense positive psychology research to brighten her own life She always pictured her career beginning and ending in the halls of academia but now she's become a bit of a self help guru No one is more surprised by this than Charlotte herself who has secretly never been more miserable Though her husband of many years Jason is her partner in all things she finds more gratification most evenings in a glass or three of Chardonnay or another scroll through her Instagram feed Meanwhile their daughter Birdie is feeling the pressure of being her high school's star tennis player keeping up her GPA and having her first boyfriend and Charlotte despite all her expertise has no idea how to help her As Charlotte preaches the gospel of happiness to her undergraduate students audiences across the country and her own online followers she's faced with some tough questions What is happiness when the family you've nurtured starts to fall apart in front of your eyes When your daughter seems determined to self destruct When the man you thought you'd spend the rest of your life with and took for granted because of it gets fed up When all of the tools that you push to your loyal followers just don't seem to work In this bittersweet family love story Kristyn Kusek Lewis explores how easy it is to lose connection with the people closest to us and what happens when we try to find our way back **All in Her Head** Elizabeth Comen, 2024-02-13 Finalist for the 2025 PEN E O Wilson Literary Science Writing Award USA Today Bestseller *All in Her Head* accomplishes a remarkable feat of storytelling By combining essential medical histories about women's bodies with all the narrative propulsion of a medical thriller Comen has written a must read compelling and important book Siddhartha Mukherjee Pulitzer Prize winning author of *The Emperor of All Maladies* and *The Song of the Cell* Wow This book will upend everything you thought you knew about your body while empowering you to make better decisions moving forward Through storytelling extensive research and easy recommendations Dr Elizabeth Comen has given us all a priceless road map to reclaim our agency Eve Rodsky author of *Fair Play* A surprising groundbreaking and fiercely entertaining medical history that is both a collective narrative of women's bodies and a call to action for a new

conversation around women's health. For as long as medicine has been a practice, women's bodies have been treated like objects to be practiced on, examined and ignored, idealized and sexualized, shamed, subjugated, mutilated and dismissed. The history of women's healthcare is a story in which women themselves have too often been voiceless, a narrative instead written from the perspective of men who styled themselves as authorities on the female of the species, yet uninformed by women's own voices, thoughts, fears, pain, and experiences. The result is a cultural and societal legacy that continues to shape the mis-treatment and care of women. While the modern age has seen significant advancements in the medical field, the notion that female bodies are flawed, inversions of the male ideal, lingers on, as do the pervasive societal stigmas and lingering ignorance that shape women's health and relationships with their own bodies. Memorial Sloan Kettering oncologist and medical historian Dr. Elizabeth Comen draws back the curtain on the collective medical history of women to reintroduce us to our whole bodies, how they work, the actual doctors and patients whose perspectives and experiences laid the foundation for today's medical thought, and the many oversights that still remain unaddressed. With a physician's knowledge and empathy, Dr. Comen follows the road map of the eleven organ systems to share unique and untold stories, drawing upon medical texts and journals, interviews with expert physicians, as well as her own experience treating thousands of women. Empowering women to better understand ourselves and advocate for care that prioritizes healthy and joyful lives for us and generations to come, *All in Her Head* is written with humor, wisdom, and deep scientific and cultural insight. Eye-opening, sometimes enraging, yet always captivating, this shared memoir of women's medical history is an essential contribution to a holistic understanding and much-needed reclaiming of women's history and bodies.
