Purves, David M. Hillis, 2012-12-10. From its first edition, Life has set the standard for experiment based introductory biology texts. There is no stronger textbook for helping students understand not just what we know, scientific facts, but how we know it, the experimental process that leads to their discovery. The new edition of Life builds upon this tradition, teaching fundamental concepts and showcasing significant research while responding to changes in biology education. Speaker Builder, 1992.
