Netflix 2025:

Brands in Times of Constant Change Daniel Neye, Joachim Bongard, 2026-01-01 The world is in a constant state of crisis with brands right in the middle of it Whether it is climate change artificial intelligence political conflicts or societal upheavals companies must act faster more flexibly and more responsibly than ever before while remaining profitable at the same time But how does modern brand management navigate a brand through these challenging times What is needed are strategic approaches that enable a future proof brand management without neglecting the pressing social ecological and economic challenges of our time All of this is critically discussed and reflected by the two authors in this book In addition to the fundamentals of strategic brand management they explain using examples and visionary concepts what holistic brand management looks like today and in the future In this context the fundamental societal role of brands as well as the political and ethical dimensions of economic action in general are also addressed Because at this turning point in time brands must broaden their horizons recognize and successfully master the complex social ecological and economic challenges of the present in order to secure and shape their own future

Transnational Streaming Television Joseph Straubhaar, Swapnil Rai, Melissa Santillana, Silvia Dalben, 2025-09-29 Examining the impact of streaming on the global production and flow of television and film this book provides an innovative theoretical framework to conceptualize how asymmetric dynamics of power play out in the era of global streaming This book analyses Netflix and Amazon Prime Video two tech based digital native streamers and compares them to Disney and HBO Max Warner Bros Discovery two legacy Hollywood studios with cable TV and broadcasting operations now pursuing global streaming The book compares their different models of operation and specifically explores how these four streamers particularly Netflix are co producing and commissioning television programs and films in an increasing number of countries It also examines how this trend is creating new opportunities for independent producers and soft power for the producing nations This book further considers the direct algorithmic targeting of individuals by their genre preferences across boundaries of culture language and nation boundaries that previously protected national and regional television markets creating a new flow of data colonialism At a more local level the book also examines some of the national and regional streaming platforms emerging in some of the key players in the Global South Brazil India and Mexico This is essential reading for students researchers and academics interested in media studies global media and global television studies

Global Perspectives on Indigenous Film and Literature Amar Ramesh Wayal, A. P. Anupama, 2025-09-22 This edited volume comprehensively explores narrative survival in Indigenous film and literature forging a literary and transitional approach to native writing It navigates the evolution of Indigenous voices spanning the oral tradition and literary forms from colonial times to the present It covers a range of issues related to indigenous inequalities and diversities in film and literature With chapters from global perspectives including North America Canada New Zealand and South Asia it ensures an inclusive exploration of indigenous narratives The diverse chapters address topics such as the

aboriginal experience residential school legacy the invisible nation of Algonquins tribal songs decolonial futures caste survival narrative trauma and other marginalized groups such as low castes linguistic minorities and Adivasis tribals The book focuses on innovative concepts to understand the study of a particular indigenous group in isolation from others and more than the conventional comparative study of different indigenous groups It deals with the challenges of achieving local indigenous rights and identities It is a valuable resource for social science and humanities scholars particularly for indigenous scholars development professionals and administrators interested in the issues related to social diversity and indigeneity in a global setting
