Just beyond what your eyes can see, there is a very real spirit world. This unseen realm is responsible for many everyday happenings, both good and bad. This is why it's vital for you to understand how to activate the seer anointing and begin seeing. **The Journey Begins** Rick Joyner, 2006-02. You're saved, but now what? **The Journey Begins** expounds upon the clear path from bondage to deliverance to walking in the promises of God. Our wilderness experiences are part of following Him, but after the wilderness, His presence abides with us. Discover a treasure far more valuable than anything the world has to offer. **A New Apostolic Reformation?** R. Douglass Geivett, Holly Pivec, 2018-07-25. This critique provides a framework for understanding and interpreting the widespread but little-known New Apostolic Reformation movement. As the authors state in the preface, "We write this book with two major goals in mind: First, to give people an idea of the sheer size and reach of the NAR movement; and second, to systematize its key teachings and practices and evaluate them on the basis of Scripture and careful reasoning. In our judgment, the NAR perspective crosses these boundaries that are certain broad parameters revealed in Scripture and practiced in the historical orthodox church, and it does so in part because of flawed theology rooted in a flawed understanding of Scripture." **The Narrow Path to Expansive Vision** RD Oostra, 2022-12-08. You can buy **The Narrow Path to Expansive Vision** online at any major online bookstore or through the Westbow website. We live in a country deeply divided politically and culturally, and the chasm widens and deepens with each passing day. As a society, it seems like there is an increasing tendency to follow the wrong things and the wrong people. So where do we turn to find a leadership example in an all-about-me world? How do you live and lead a narrow path yet not narrow-minded life in a wide path world and society? You turn to the greatest leadership example in history: Jesus Christ. This may seem like an obvious answer, but it is not. In conducting original research for the book **The Narrow Path to Expansive Vision**, RD Randy Oostra completed a national online survey of business leaders, including those who identified as Christian leaders. One question on the survey asked those who identified as Christian leaders to name their top three leaders of all time. Only 13 percent mentioned Christ as one of their top three leaders. In addition, only 43 percent of these Christian leaders considered themselves to be servant leaders. As **The Narrow Path to Expansive Vision** unfolds, it weaves a narrative of Randy's personal journey, growing up in a rigorous Dutch Reformation background to his life as a CEO of a national health and well-being organization. Randy tells his story of how he has lived in and navigated through the science-based world of health care, as well as his frustrations with a Church leadership that frankly has not always been helpful in meeting the challenges he faced as a business leader and in life in general. Based on these experiences, Randy offers a foundational approach to leadership inspired by the example of Christ. It is a hopeful message that both believers and

non believers will find meaningful and useful **The Final Quest Trilogy** Rick Joyner,2016-12-01 What if a single revelation could change your destiny in a moment In this riveting bestselling series author Rick Joyner takes you on the supernatural journey that has captivated millions More real than an allegory The Final Quest Trilogy is a panoramic vision of the epic struggle between light and darkness and your part in it As the series unfolds you can join in the great battle encounter angels and demons apostles and prophets and the heavenly realm itself This trilogy is about the greatest adventure to serve the greatest King and to stand for His truth with courage a tale not for the timid but for the bold
