*The Devil in Winter* Lisa Kleypas, 2009-10-13 In Sebastian Lord St Vincent I can't be celibate Everyone knows that Desperate to escape her scheming relatives Evangeline Jenner has sought the help of the most infamous scoundrel in London A marriage of convenience is the only solution No one would have ever paired the shy stammering wallflower with the sinfully handsome viscount It quickly becomes clear however that Evie is a woman of hidden strength and Sebastian desires her more than any woman he's ever known Determined to win her husband's elusive heart Evie dares to strike a bargain with the devil If Sebastian can stay celibate for three months she will allow him into her bed When Evie is threatened by a vengeful enemy from the past Sebastian vows to do whatever it takes to protect his wife even at the expense of his own life Together they will defy their perilous fate for the sake of all-consuming love [Devil in Winter](#) Lisa Kleypas, 2006-02-28

Desperate to escape the clutches of her greedy relatives heiress Evangeline Jenner makes a deal with Viscount St Vincent to exchange her fortune for a marriage of convenience only to discover the true nature of passion in his arms **Devil in Winter** Lisa Kleypas, 2006 **The Pontiff in Winter** John Cornwell, 2007-12-18 Over more than a quarter of a century John Paul II has firmly set his stamp on the billion member strong Catholic Church for future generations and he has become one of the most influential political figures in the world His key role in the downfall of communism in Europe as well as his apologies for the Catholic Church's treatment of Jews and to victims of the Inquisition racism and religious wars won him worldwide admiration Yet his papacy has also been marked by what many perceive as misogyny homophobia and ecclesiastical tyranny Some critics suggest that his perpetuation of the Church's traditional hierarchical paternalism contributed to pedophilic behavior in the priesthood and encouraged superiors to sweep the crimes under the carpet The Pontiff in Winter brings John Paul's complex contradictory character into sharp focus In a bold highly original work John Cornwell argues that John Paul's mystical view of history and conviction that his mission has been divinely established are central to understanding his pontificate Focusing on the period from the eve of the millennium to the present Cornwell shows how John Paul's increasing sense of providential rightness profoundly influenced his reactions to turbulence in the secular world and within the Church including the 9/11 attacks the pedophilia scandals in the United States the clash between Islam and Christianity the ongoing debates over the Church's policies regarding women homosexuals abortion AIDS and other social issues and much more A close trusted observer of the Vatican Cornwell combines eyewitness reporting with information from the best sources in and outside the pope's inner circle Always respectful of John Paul's prodigious spirit and unrelenting battles for human rights and religious freedom Cornwell raises serious questions about a system that grants lifetime power to an individual vulnerable to the vicissitudes of aging and illness The result is a moving elegiac portrait of John Paul in the winter of his life and a thoughtful incisive assessment of his legacy to the Church *The Heart in Winter* Kevin Barry, 2024-07-09 One of the year's most anticipated books *The Guardian* *The New Statesman* *The Irish Times* *The*

Journal The Observer A savagely funny and achingly romantic tale of young lovers on the lam in 1890s Montana from award winning writer Kevin Barry October 1891 A hard winter approaches across the Rocky Mountains The city of Butte Montana is rich on copper mines and rampant with vice and debauchery among a hard living crowd of immigrant Irish workers Here we find Tom Rourke a young poet and ballad maker of the town but also a dooper a drinker and a fearsome degenerate Just as he feels his life is heading nowhere fast Polly Gillespie arrives in town as the new bride of the extremely devout mine captain Long Anthony Harrington A thunderbolt love affair takes spark between Tom and Polly and they strike out west on a stolen horse moving through the badlands of Montana and Idaho and briefly an idyll of wild romance perfects itself But a posse of deranged Cornish gunmen are soon in hot pursuit and closing in fast With everything to lose and the safety and anonymity of San Francisco still a distant speck on their horizon the choices they make will haunt them for the rest of their lives In this love story for the ages lyrical profane and propulsive Kevin Barry has once again demonstrated himself to be a master stylist an unrivalled humourist and a true poet of the human heart
