Losing Brave Educator's Guide Bailee Madison, Stefne Miller, 2020-05-26 *Losing Brave Educator's Guide* is a companion to *Losing Brave* by Bailee Madison with Stefanie Miller. This guide can be utilized in the classroom in a home school setting or by parents seeking additional resources. Ideal for grades 7-12. *Are You Entertained?* Simone C. Drake, Dwan K. Henderson, 2020-02-28 The advent of the internet and the availability of social media and digital downloads have expanded the creation, distribution, and consumption of Black cultural production as never before. At the same time, a new generation of Black public intellectuals who speak to the relationship between race, politics, and popular culture has come into national prominence. The contributors to *Are You Entertained?* address these trends to consider what culture and blackness mean in the twenty-first century's digital consumer economy. In this collection of essays, interviews, visual art, and an artist statement, the contributors examine a range of topics and issues from music, white consumerism, cartoons, and the rise of Black Twitter to the NBA's dress code, dance, and *Moonlight*. Analyzing the myriad ways in which people perform, avow, politicize, own, and love blackness, this volume charts the shifting debates in Black popular culture scholarship over the past quarter century while offering new avenues for future scholarship. Contributors: Takiyah Nur Amin, Patricia Hill Collins, Kelly Jo Fulkerson, Dikuua Simone C. Drake, Dwan K. Henderson, Imani Kai Johnson, Ralina L. Joseph, David J. Leonard, Emily J. Lordi, Nina Angela Mercer, Mark Anthony Neal, H. Ike Okafor, Newsom Kinohi Nishikawa, Eric Darnell Pritchard, Richard Schur, Tracy Sharpley Whiting, Vincent Stephens, Lisa B. Thompson, Sheneese Thompson. *Quiet* Susan Cain, 2013-01-29 1 NEW YORK TIMES BESTSELLER Experience the book that started the Quiet Movement and revolutionized how the world sees introverts and how introverts see themselves by offering validation, inclusion, and inspiration. Superbly researched, deeply insightful, and a fascinating read, *Quiet* is an indispensable resource for anyone who wants to understand the gifts of the introverted half of the population. Gretchen Rubin, author of *The Happiness Project*, NAMED ONE OF THE BEST BOOKS OF THE YEAR BY People, O, The Oprah Magazine, Christian Science Monitor, Inc., Library Journal, Kirkus Reviews. What are the advantages of being an introvert? They make up at least one-third of the people we know. They are the ones who prefer listening to speaking, who innovate and create but dislike self-promotion, who favor working on their own over working in teams. It is to introverts, Rosa Parks, Chopin, Dr. Seuss, Steve Wozniak, that we owe many of the great contributions to society. In *Quiet*, Susan Cain argues that we dramatically undervalue introverts and shows how much we lose in doing so. She charts the rise of the Extrovert Ideal throughout the twentieth century and explores how deeply it has come to permeate our culture. She also introduces us to successful introverts from a witty, high-octane public speaker who recharges in solitude after his talks to a record-breaking salesman who quietly taps into the power of questions. Passionately argued, impeccably researched, and filled with indelible stories of real people, *Quiet* has the power to permanently change how you see yourself. Now with Extra Libris material, including a reader's guide and bonus content.

Collection Development and Management for 21st Century
