ECKM 2019 20th European Conference on Knowledge Management 2 VOLS Dr. Eduardo Tomé, 2019-09-05

Ready Reckoner for Digital Product Managers Dilip Karthik J, Having spent considerable time in Product Management, I decided to put together my experiences in a book. Though there are many internet sources available to learn product management, there are plenty of students, first-generation graduates who would need a ready reckoner book to learn Product Management in a structured manner. Books are a perfect starting point for any individual. Yet today, the cost of a good Product Management book makes it inaccessible to students and other lower-income groups. Hence, the cost of this book is intentionally kept frugal to match the affordability of the lower-income groups. The intention of this book is to deconstruct the market by making Product Management skills accessible to all individuals. This book provides an overview of the current knowledge landscape of Digital product management. It introduces

software as a product in the contexts of commercial markets and end consumers It provides an overview on of Digital product management practices and details the various elements of Digital product management based on the Value chain and SPMBOK
