Social Media Marketing and Organisational Efficiency of Deposit Money Banks in Nigeria Newman Enyioko, 2020-04-14 Doctoral Thesis Dissertation from the year 2020 in the subject Business economics Offline Marketing and Online Marketing grade Rivers State course Marketing language English abstract The study examined the effect of social media marketing on organizational efficiency of deposit money banks in Nigeria Blog Facebook Twitter and LinkedIn were used as the dimensions of social media platforms in this study The study used conversion rate web traffic and customer engagement to measure organisational efficiency of banks Also trust was used as a moderating variable in this study The study adopted descriptive and inferential statistical tools to analyze the data and test the hypotheses The study used a questionnaire to elicit information from the respondents The population of the study consisted of all the 22 deposit money banks approved by CBN The study sampled 154 respondents from 22 deposit money banks in Nigeria and validly used 133 respondents representing 86.36% response rate for data analysis The study found that banks use blog Facebook Twitter and LinkedIn to conduct their marketing activities in the manner of brand promotion and persuasion of customers to patronize them and these activities enhance organisational efficiency of banks The study revealed that blog has positive but insignificant effect on conversion rate and web traffic but positive and significant effect on customer engagement The study discovered that Facebook has positive and significant effect on conversion rate web traffic and customer engagement The study revealed that Twitter has positive and significant effect on conversion rate web traffic and customer engagement The study found that LinkedIn has positive and insignificant effect on conversion rate and customer engagement but negative and insignificant effect on web traffic The study also found that trust moderates and has strong positive and significant effect on social media marketing and organisational efficiency of banks The study concludes that as banks use blogs Facebook Twitter and LinkedIn to create awareness about their products and services on the internet their conversion rates web traffic and customer engagement are significantly and positively boosted The study therefore recommends that bank managers should use blog Facebook Twitter and LinkedIn to their advantage by encouraging bank staff and not just the marketing department to participate in social media marketing which in turn covers more ground for the enhancement of conversion rate web

traffic and customer engagement leading to organisational efficiency of banks *Analysis of potential disruptors in the DIY business* Paul Heck,2020-08-25 Seminar paper from the year 2020 in the subject Business economics Business Management Corporate Governance grade 1 2 Cologne Business School K In language English abstract The do it yourself DIY industry is in a state of upheaval More and more classic DIY store sales are migrating to online retailers The large DIY store operators are being hit by the strong competition from Amazon Co At the same time new market platforms such as ManoMano are entering the market with a specialized range of products Obi and the other DIY store companies are resisting the Amazonisation and trying to keep up Therefore alternative concepts are needed which should be the result of this paper *Woo, Wow, and Win* Thomas A. Stewart,Patricia O'Connell,2016-11-29 In this pioneering guide two business authorities introduce the new discipline of Service Design and reveal why trying new strategies for pleasing customers isn t enough to differentiate your business it needs to be designed for service from the ground up Woo Wow and Win reveals the importance of designing your company around service and offers clear practical strategies based on the idea that the design of services is markedly different than manufacturing Bestselling authors and business experts Thomas A Stewart and Patricia O Connell contend that most companies both digital and brick and mortar B2B or B2C are not designed for service to provide an experience that matches a customer s expectations with every interaction and serves the company s needs When customers have more choices than ever before study after study reveals that it s the experience that makes the difference To provide great experiences that keep customers coming back businesses must design their services with as much care as their products Service Design is proactive it is about delivering on your promise to customers in accordance with your strategy not about acceding to customer dictates Woo Wow and Win teaches you how to create Ahhh moments when the customer makes a positive judgment and to avoid Ow moments when you lose a sale or worse customer trust Whether you re giving a haircut selling life insurance or managing an office building your customer is as much a part of your business as your employees are Together you and customers create a bank of trust fueled by knowledge of each other s skills and preferences This is Customer Capital the authors explain and it is jointly owned But it s up to you to manage it profitably Innovative yet grounded in real world examples Woo Wow and Win is the key strategy for winning customers and keeping them **Wines & Vines** H. F. Stoll,2017 **Business Creation Report for a fictitious Company** Julia Schröder,2022-05-04 Seminar paper from the year 2021 in the subject Business economics Company formation Business Plans grade 1 2 language English abstract This paper is about the app Helpertation An app that allows academic papers to be uploaded before submission so that others can check them for grammatical or linguistic errors for little money Helpertation would be a great help to many especially foreign students or those working in other languages By having another real person check it errors are uncovered that mechanical translators cannot find Both parties benefit from the app as a user gets help in checking their work and the helper can earn some money by taking the time To stay in the customers minds Helpertation uses the slogan Help with your

Assignment Ideally this advertising message stays in the customer s mind for a longer period of time and prompts them to use the app Our mission is to give everyone the opportunity to write an error free thesis in a foreign language The Helpertation principle is not yet very widespread All the competitors that can be found are only represented as a website and not in the form of an app The focus is that all examiners have to prove their language skills in order to guarantee the quality of the correction A rating system is also planned so that others can immediately see whether the examiner is suitable

The Influence of social media marketing, brand loyalty, brand awareness towards consumer purchase intention. An empirical analysis Yusuf Balarabe Abdullahi,2021-03-18 Master s Thesis from the year 2018 in the subject Business economics Offline Marketing and Online Marketing grade 3 9 Limkokwing University of Creative Technology language English abstract The reason for this research is to distinguish and look at consumers purchase intention in Malaysia through social media marketing brand loyalty and brand awareness Other than that this research rushes to discover the relationships between social media marketing brand awareness and electronic word of mouth towards brand loyalty among the consumers in Malaysia inciting purchase intentions Consumers purchase intention has developed with the help of the social media marketing and progressively replacing the customary marketing techniques The marketing methodology is based on social media platforms where consumers are currently looking for information about an item or service and others encounters before resolving to purchase the item or service The sharing of the brands item surveys and clients encounters are a piece of the electronic word of mouth where data is transmitted and gotten over the web With the impact of electronic word of mouth and social media marketing it has an effect to the brand loyalty and in the end towards purchase intentions This study endeavors to study the effect of social media marketing brand loyalty and brand awareness towards purchase intentions Two hundred questionnaires were collected toward the end of the review inside Malaysia Five hypotheses were produced and tested
