**I Took Advice from Reddit for a Week (I Regret Everything)** Jim Mars, 2025-06-21 One man decided to find out and paid the price in emotional instability, butter-based hallucinations, a lost eyebrow, and a microwave disaster that may have summoned spirits. Armed with nothing but blind faith in anonymous users with anime avatars, he let Reddit dictate seven straight days of his life: career, relationships, diet, finances, grooming, cooking, even his mental health. The results? Hilarious, terrifying, weirdly relatable. Inside you'll discover the productivity life pro tip that almost got him fired by 9:30 AM, why investing based on r/WallStreetBets left his bank account in shambles, and why karma didn't pay the rent. How Reddit nearly ruined his relationship over a pizza topping. What happened when he biohacked his brain with buttered coffee and ice water. His attempt to start a side hustle in 24 hours with Canva, zero followers, and rising panic. The eyebrow incident that still haunts him. A meal so cursed it should be illegal in three countries. The 20 most unhinged pieces of Reddit advice ever posted, ranked by chaos. And the final truth: what happens to your sanity when you crowdsource your life to the internet? It's not just a comedy of errors; it's a brutally honest social experiment. This isn't a feel-good self-help guide or another "how I found enlightenment" memoir. This is a brutally funny, raw, and surprisingly insightful journey through the bizarre world of internet advice, one reckless day at a time. If you've ever fallen down a Reddit rabbit hole and questioned reality, tried a life hack you deeply regretted, wondered what your life might look like if strangers on the internet called the shots, then this book is your mirror and your warning label. Dare to read it, but maybe don't try it at home.

**Best of R/** Dan Chambers, 2019-08-18 She actually said, or else like a damn cartoon villain: "You are going to date my daughter, and that's final. Look how ridiculous you are. Let my son make your daughter sick." Ever been stuck in a situation where your mind simply refuses to believe that the person you're dealing with can possibly be real? You are not alone. All over the world, people have had that same experience, and worse, posting their tales on Reddit that are so shocking and hilarious they've become internet sensations, garnering untold millions of readers, upvotes, and views on video platforms. Perfect for quick reads during a lunch break or on the train to work, Best of R is an anthology series of some of the most bizarre people and situations you could ever encounter in everyday life, and how best to deal with them, including Entitled Parents: paternal figures who believe their child is a special, unblemished snowflake, too good for this world, while the
