Actually, he looked dead. He approached her, needing to feed, and that would change everything, as she knew it. He had changed her, and now he was gone, leaving her the desire and urge for fresh blood to feed from. Megan felt as if she were a monster and would never be able to become the doctor she wanted so badly to be. But while working with Thomas Reilly at the clinic, he knew she was more than a janitor, and with a little coaxing, she was going to be a doctor. If she wasn't living in the trunk of her car, she was staying in a cave. Beau Desjardin was going to visit his long-time friend Kyle and his wife Maddy. He was once a master and had retired with honor among his kind. It was time for him to move on. While going to the Blood Moon, he meets with Megan. The attraction between them is unbelievable, and he knows now that he has met his mate. The French he speaks will make your heart melt. Some kind of Creature is looking for her and needs to bring her to Samuel Rome, the one that wanted her created. But what is his mission for her, and what are the plans for her new life, as it is?
