**Donald Trump** Jon Huer, 2017-05-24 We in the U S have deserved someone like Donald Trump as our president for some time Until now by a string of luck we had mostly centrist presidents both Republican and Democratic some with only a modicum of intelligence and humanity With Donald Trump however we finally ran out of luck and he is our sitting president Now the spotlight is focused on him but we easily forget that he is after all a product of his own society Trump s rise to power owes itself to its own social historical circumstances For decades now America s Consumer Society had prepared the American voters mostly White to find someone like Trump as their leader by supplying them with around the clock distractions that made them feel good happy and falsely powerful Trump s ascendancy could not be possible without our consumption of daily entertainment which makes us selfish childish and idiotic human beings Such minds are easily affected by anxiety anger and vengefulness In our daily sea of popular entertainment of mass circulation we have become trash cans Mental Trash Cans that exist just to process trash that enters and leaves our minds almost at the same time This wasted mind America s most celebrated symbol of success that is created by its best and brightest keeps us away from one another as we become privatized citizens and neighbors in our individual cocoons lonely scared dumbed down living and dying our solitary unconnected lives Into this vacuum of intelligence and humanity enter Donald Trump the entertainer billionaire now the President who with his brand of populist Fascism challenges the powers of entrenched Corporate America and all of its mind captivating arsenal He successfully conquered White Americans by separating them from non whites thus revealing America s nationalism and racism hitherto papered over in its Liberal Capital consumer paradise The common Americans whether

White or non white possess two prized items that Corporate and Political America covets and wants to take from them the dollar and the vote The American Masses now as garbage fed children are neither smart nor united enough to protect the two critical weapons of their democracy Trump s presidency proves it
