Secret Societies and Clubs in American History David Lührssen, 2015-09-09 Grounded in extensive historical research this eye opening survey reveals the long undervalued role secret societies have played in American history Americans are fascinated by secret societies and have devoured exaggerated claims for their influence At the same time scholarly assessments of covert groups that have shaped American social cultural and political history have often undervalued their role or even questioned their existence This survey challenges both the exaggerators and the deniers Freemasons They may not be the hidden rulers of the world but a significant number of America s founders were Masons The Know Nothings Two American presidents joined the movement The Bohemian Grove Republican politicians and corporate leaders really did engage in strange behavior under the redwood trees through the 20th century Revealing fascinating facts about some of the most talked about covert societies including the Mafia the Skull and Bones and the Ku Klux Klan *Secret Societies and Clubs in American History* exposes the truth about the subcultures that made their mark on some of the most important events in the nation s history and contributed to the shaping of the country itself

UFOs, Chemtrails, and Aliens Donald R. Prothero, Timothy D. Callahan, 2017-08-10 UFOs Aliens Strange crop circles Giant figures scratched in the desert surface along the coast of Peru The amazing alignment of the pyramids Strange lines of clouds in the sky The paranormal is alive and well in the American cultural landscape In *UFOs Chemtrails and Aliens* Donald R Prothero and Tim Callahan explore why such demonstrably false beliefs thrive despite decades of education and scientific debunking Employing the ground rules of science and the standards of scientific evidence Prothero and Callahan discuss a wide range of topics including the reliability of eyewitness testimony psychological research into why people want to believe in aliens and UFOs and the role conspiratorial thinking plays in UFO culture They examine a variety of UFO sightings and describe the standards of evidence used to determine whether UFOs are actual alien spacecraft Finally they consider our views of aliens and the strong cultural signals that provide the shapes and behaviors of these beings While their approach is firmly based in science Prothero and Callahan also share their personal experiences of Area 51 Roswell and other legendary sites creating a narrative that is sure to engross both skeptics and believers
