**1-800-Hello-God** Alexander Pyatkovsky, 2025-07-06 Have you ever felt like you're stuck in life's waiting room refreshing your email for that long-awaited yes only to be met with silence Have you ever sent up a desperate prayer that sounded more like a voicemail wondering if anyone on the other side is actually listening 1 800 HELLO GOD Calls from the Waiting Room of Life is a raw honest and deeply funny companion for every soul caught in the in-between that messy uncomfortable space between where you are and where you thought you would be by now In these pages you'll find stories that feel like conversations with a friend who truly gets it the friend who knows what it's like to be ghosted by potential employers and by life itself The friend who understands the sting of rejection emails the awkward small talk at family gatherings and the slow ache of unanswered prayers And yet this friend offers more than sympathy he offers hope laughter and a gentle push to keep going Each chapter is framed as a call to God raw unfiltered and often hilariously candid You'll meet someone who debates paying rent with faith points who wonders if they should shrink their sparkle to fit in at the next job interview who has a meltdown in the kitchen before realizing that God is right there in the crumbs and the chaos You'll walk alongside a narrator who checks LinkedIn and feels like the only one not thrilled to announce something new who finds unexpected blessings in couch cushions and random Venmo surprises who learns to trust in the silent spaces and find purpose in the pauses This is not a book filled with easy answers manifesting mantras or step-by-step life hacks Instead it offers permission permission to laugh when everything falls apart to cry when hope feels far away to grieve closed doors and to celebrate the small unseen victories that no one claps for It is a book for the ones who have been told to trust the process but secretly want to throw the entire process out the window For the job seekers dream chasers silent servers quiet warriors and those who secretly whisper just one good thing today into their morning coffee For every person who wonders if they're too much not enough or simply in the wrong story altogether Through it all 1 800 HELLO GOD reminds us that we are not forgotten That God is not ignoring us or putting us on hold with cosmic elevator music Instead He is present in every waiting room moment every meltdown every surprise text of encouragement and every slow silent morning when you feel most alone If you've ever looked up at the ceiling and wondered God are You even listening this book is your reminder that He is not only listening but
