Delphi 5 Bible:

Alexander the Great in Bible Prophecy Leonides V. Landicho,2023-06-05 This book aims to offer a biblical perspective on Alexander's story As John Calvin wrote That He presides over all wars and gives victory to whomsoever he pleases that none may think that it happens by chance His conquest of the Achaemenid Persian Empire in just over a decade is impressive but what were the chances of winning all the battles in this massive campaign Military schools have analyzed Alexander's biography and military strategies trying to decipher his winning formula Is there really a winning formula in war Historians and writers attribute Alexander's successes to his boldness adaptability charisma and strategic vision Then AW Pink wrote To say that God is sovereign is to declare that He is The Governor among nations Psalm 22:28 setting up a kingdom overthrowing empires and determining the course of dynasties as pleaseth Him best This book is about ancient history pre-written before the beginning of time

Plato and the Creation of the Hebrew Bible Russell E. Gmirkin,2016-08-12 Plato and the Creation of the Hebrew Bible for the first time compares the ancient law collections of the Ancient Near East the Greeks and the Pentateuch to determine the legal antecedents for the biblical laws Following on from his 2006 work Berossus and Genesis Manetho and Exodus Gmirkin takes up his theory that the Pentateuch was written around 270 BCE using Greek sources found at the Great Library of Alexandria and applies this to an examination of the biblical law codes A striking number of legal parallels are found between the Pentateuch and Athenian laws and specifically with those found in Plato's Laws of ca 350 BCE Constitutional features in biblical law Athenian law and Plato's Laws also contain close correspondences Several genres of biblical law including the Decalogue are shown to have striking parallels with Greek legal collections and the synthesis of narrative and legal content is shown to be compatible with Greek literature All this evidence points to direct influence from Greek writings especially Plato's Laws on the biblical legal tradition Finally it is argued that the creation of the Hebrew Bible took place according to the program found in Plato's Laws for creating a legally authorized national ethical literature reinforcing the importance of this specific Greek text to the authors of the Torah and Hebrew Bible in the early Hellenistic Era This study offers a fascinating analysis of the background to the Pentateuch and will be of interest not only to biblical scholars but also to students of Plato ancient law and Hellenistic literary traditions The Software

William Smith,1888 **The Bible and Feminism**

Yvonne Sherwood, 2017-11-24 This groundbreaking book breaks with established canons and resists some of the stereotypes of feminist biblical studies. It features a wide range of contributors who showcase new methodological and theoretical movements such as feminist materialisms, intersectionality, postidentitarian, nomadic politics, gender archaeology, and lived religion and theories of the human and the posthuman. *The Bible and Feminism: Remapping the Field* engages a range of social and political issues including migration and xenophobia, divorce and family law, abortion, pinkwashing, the neoliberal university, the second amendment, AIDS and sexual trafficking, and the politics of the veil. Foundational figures in feminist biblical studies work alongside new voices and contributors from a multitude of disciplines in conversations with the Bible that go well beyond the expected canon within the canon assumed to be of interest to feminist biblical scholars. Moving beyond the limits of a text-orientated model of reading, this collection looks at how biblical texts were actualized in the lives of religious revolutionaries such as Joanna Southcott or Sor Juana Inés de la Cruz. It charts the politics of the Pauline veil in the self-understanding of Europe and reads the genealogical halls in the book of Chronicles alongside acts of commemoration and forgetting in 9/11 and Tiananmen Square.
