Tok Trending In The Us:

TikTok Cultures in the United States Trevor Boffone, 2022-04-03 TikTok Cultures in the United States examines the role of TikTok in US popular culture paying close attention to the app's growing body of subcultures. Featuring an array of scholars from varied disciplines and backgrounds, this book uses TikTok subcultures as a point of departure from which to explore TikTok's role in US popular culture today. Engaging with the extensive and growing scholarship on TikTok from international scholars, chapters in this book create frameworks and blueprints from which to analyze TikTok within a distinctly US context, examining topics such as gender and sexuality, feminism, race and ethnicity, and wellness. Shaping TikTok as an interdisciplinary field in and of itself, this insightful and timely volume will be of great interest to students and scholars of new and digital media, social media, popular culture, communication studies, sociology of media, dance, gender studies, and performance studies. *New Developments in the Trilateral Relationship between the United States, Taiwan, and China*

Charles K.S. Wu, Yao-Yuan Yeh, 2025-03-15 Taiwan has become a new flashpoint in Sino-US relations in recent years. The nation just concluded its presidential and legislative elections this January. This book analyzes the trilateral relationship between the United States, Taiwan, and China under the new Lai administration in Taiwan. **The End of an**

Era: The TikTok Shutdown in the USA Guillaume Lessard, 2025-01-10 Explore the rise and fall of one of the most influential social media platforms of our time in *The End of an Era: The TikTok Shutdown in the USA*. This captivating eBook, authored by Guillaume Lessard, delves deep into the extraordinary journey of TikTok: its meteoric rise as a cultural phenomenon, its role in shaping modern digital trends, and the geopolitical forces that ultimately led to its shutdown in the United States. From viral dance challenges to political advocacy, TikTok redefined social media and empowered creators around the globe. But behind the scenes, concerns over data privacy, national security, and international relations sparked a battle that would reshape the tech industry forever. In this detailed exploration, you will discover the origins and revolutionary success of TikTok, the complex interplay of technology, politics, and culture that led to its ban, the impact on influencers, businesses, and global audiences, and lessons for tech companies navigating an increasingly interconnected and regulated digital world. Whether you're a tech enthusiast, a social media aficionado, or simply curious about the forces shaping our digital age, this book provides an insightful narrative on the collision of innovation, regulation, and public opinion. *The End of an Era* is more than just a story about a social media app; it's a cautionary tale and a testament to the enduring power of digital platforms to influence our world. **Four Battlegrounds**

Paul Scharre, 2023-02-28 An NPR 2023 Books We Love Pick, One of the Next Big Idea Club's Must-Read Books. An invaluable primer to arguably the most important driver of change for our future. P.W. Singer, author of *Burn In*. An award-winning defense expert tells the story of today's great power rivalry: the struggle to control artificial intelligence. A new industrial revolution has begun. Like mechanization or electricity before it, artificial intelligence will touch every aspect of our lives and cause profound disruptions in the balance of global power.

especially among the AI superpowers China the United States and Europe Autonomous weapons expert Paul Scharre takes readers inside the fierce competition to develop and implement this game changing technology and dominate the future Four Battlegrounds argues that four key elements define this struggle data computing power talent and institutions Data is a vital resource like coal or oil but it must be collected and refined Advanced computer chips are the essence of computing power control over chip supply chains grants leverage over rivals Talent is about people which country attracts the best researchers and most advanced technology companies The fourth battlefield is maybe the most critical the ultimate global leader in AI will have institutions that effectively incorporate AI into their economy society and especially their military Scharre s account surges with futuristic technology He explores the ways AI systems are already discovering new strategies via millions of war game simulations developing combat tactics better than any human tracking billions of people using biometrics and subtly controlling information with secret algorithms He visits China s National Team of leading AI companies to show the chilling synergy between China s government private sector and surveillance state He interviews Pentagon leadership and tours U S Defense Department offices in Silicon Valley revealing deep tensions between the military and tech giants who control data chips and talent Yet he concludes that those tensions inherent to our democratic system create resilience and resistance to autocracy in the face of overwhelmingly powerful technology Engaging and direct Four Battlegrounds offers a vivid picture of how AI is transforming warfare global security and the future of human freedom and what it will take for democracies to remain at the forefront of the world order
