## **World Series Discount Open Now:**

**Opening Fenway Park with Style** Bill Nowlin, Lan Levin, Dan Desrochers, Maurice Bouchard, 2012-05 OPENING FENWAY PARK WITH STYLE The 1912 World Champion Red Sox is the collaborative work of 27 members of the Society for American Baseball Research SABR This book which contains over 300 period photographs and illustrations has at its core the individual biographies of every player on the team even Douglass Smith who appeared in just one game There are also biographies of owner John I Taylor and American League founder Ban Johnson The book also contains a detailed timeline of the full calendar year with essays on the construction of brand new Fenway Park and its first renovation as the team which won the pennant by 14 games prepared for Fenway s first World Series The 1912 World Series remains one of the most exciting in baseball history extending to eight games because of a 14 inning tie game in Game Two In Game Eight the Giants scored a tie breaking run to take a lead in the top of the 10th inning only to see Boston come back with two in the bottom of the 10th to win at home Other articles in the book detail intriguing topics including a fascinating spring training during which Sox players joined the hunt for a murderer in Hot Springs life in Boston in 1912 and how the newspapers and telegraph reported the games in the days before radio television or the internet It may surprise some to learn of the thousands of people who crowded outside the downtown offices of newspapers so they could get batter by batter updates on the progress of the World Series games in progress There are more than a dozen books celebrating the 100th anniversary of Fenway Park but only this one is devoted to the 1912 season itself providing the context for the then new park which remains home to Boston baseball a century later **Collier's** ,1922 **Sports Finance and Management** Jason A. Winfree, Mark S. Rosentraub, Brian M Mills, Mackenzie Zondlak, 2018-10-10 As the sport business continues to evolve so too does Sport Finance and Management The first version of this book took an in depth look at changes in the sport industry including interconnecting financial issues between teams and their associated businesses the nature of fan loyalty influences and the impact of sponsorship on team revenues This second edition updates each of these elements introduces relevant case study examples in new chapters and examines the impact of changes in facility design media opportunities and league and conference policies on the economic success of teams the salaries earned by professional players and the finances of collegiate athletics *Network World* ,1987-09-21 For more than 20 years Network World has been the premier provider of information intelligence and insight for network and IT executives responsible for the digital nervous systems of large organizations Readers are responsible for designing implementing and managing the voice data and video systems their companies use to support everything from business critical applications to employee collaboration and electronic commerce **The American Legion Monthly** American Legion, 1929 [The Two Worlds](#) ,1926 **The 1960s in Sports** , Miles Coverdale Jr., 2020-04-27 This book includes the most significant sporting events of the 1960s covering all the moments that generated tremendous growth in professional and college sports in America during this decade It features stories such as

Roger Maris breaking Babe Ruth's home run record, Wilt Chamberlain scoring 100 points, and Muhammad Ali beating Sonny Liston. Sports became a national obsession in the 1960s as people tuned in on their new televisions to watch the exploits of some of the most legendary athletes and teams in history. It was the decade of Mickey Mantle, Jim Brown, Bill Russell, Bobby Hull, and Arnold Palmer, the decade when the Celtics dominated basketball, Joe Namath delivered on his Super Bowl guarantee, and the Miracle Mets won the World Series. In *The 1960s in Sports: A Decade of Change*, Miles Coverdale looks back at what was arguably the greatest decade in sports history when the sports world of today began to take shape during a very tumultuous period of American history. At the start of the decade, thirteen years after Jackie Robinson broke the color barrier in baseball, major league rosters were still populated mostly by white Americans. The NFL and NBA were struggling financially and were much less popular than college football and basketball. The Olympics were still open only to amateur athletes. But the sports landscape changed dramatically in the 1960s. Coverdale traces this development by covering the significant events and iconic players of the decade, including stars such as Sandy Koufax, Johnny Unitas, Bobby Orr, and Jack Nicklaus. There were great teams and incredible rivalries, and professional and college sports alike expanded and thrived. Featuring over 70 photos of legendary athletes and memorable moments, *The 1960s in Sports* transports the reader back to a golden age in sports. With additional coverage of important historical events such as the Cold War, Vietnam, and the Civil Rights Movement, this book also reveals how social and political events impacted the sports world, making it an invaluable resource for anyone interested in this significant decade.
