Race/Gender/Class/Media Rebecca Ann Lind, 2026-04-30 The sixth edition of this popular textbook considers diversity in the mass media in three main settings: audiences, content, and production. The seven core chapters of this book bring together 60 short and approachable readings, most newly commissioned for this edition by scholars representing a variety of humanities and social science disciplines. Each reading contains multiple "It's Your Turn" activities to foster student engagement and which can serve as the basis for assignments.
