A Beginner's Guide to Charting Financial Markets Michael N. Kahn, 2007-12-17 This book is about arming investors with one simple tool that will enhance the investment decision making process the chart It is not the Holy Grail and even if applied exactly as offered there is no guarantee that the reader will be successful But owning a high quality hammer is no guarantee that the user will build a beautiful house The hammer is a tool and in most cases the user will still need other tools and knowledge to build that house What this book will do is give the reader the basics needed to look at a chart and get a feel for what the market or individual

stock is doing It will cover only the nuts and bolts of chart analysis barely touching upon the next level concepts and definitely leaving the whiz bang stuff well alone *MESA and Trading Market Cycles* John F.
