my Adwords account Then they did what they called their Panda update of their algorithm In an instant all my sites disappeared from Google all that hard SEO work down the pan They even closed down my 7 year old blog I d made a school boy error in using the Blogger platform which of course Google owned a blog that was getting on average 950 visits per day To say I was ticked off is an understatement In fact I was very tempted to just throw my toys out of the pram pack it all in And it wasn t just me who was greatly affected thousands of marketers saw the same thing happen to their sites with some poor souls literally losing everything To see if there was any hope for my business I started lurking around the Internet Marketing forums to see how others were coping Nothing I tried really seemed to replace the traffic that Google brought me Although I was interested in a method that a fellow Google Panda victim was using And so gave it a try Results were patchy at first but at least I could see the potential Gradually I tweaked the method tested different things changed things about and results started to improve I stuck with it And now it s the ONLY traffic driving method I seriously use
