Leading Alex Ferguson Pdf:

Teacher Leadership and Professional Development Alex Alexandrou, Sue Swaffield, 2016-05-06 Interest in and knowledge of leadership and learning separately and together is an international and continuing phenomenon This book adds to a somewhat under researched aspect of the field It focuses both on a particular form of leadership teacher leadership and on a particular form of learning professional development It considers the connection between teacher leadership and professional development and the first chapter relates this connection to a Leadership for Learning conceptual framework developed through an international three year project The book s chapters explore teacher leadership and professional development from a number of perspectives giving rise to three points of particular significance Firstly the chapters show that either by accident or design there is a growing cadre of teacher leaders emerging from a multitude of professional development activities and initiatives Secondly a number of new conceptual frameworks are put forward alongside the adaption and development of extant ones that add to the ever increasing theorisation of educational leadership and professional development literature Thirdly the chapters provide evidence of the connections between leadership and learning as conceptualised in the Leadership for Learning framework This book was originally published as a special issue of Professional Development in Education

Get More: Joby Slay, 2020-01-01 One of the largest challenges facing youth sports today is the lack of sufficiently trained athletic coaches Studies report that less than 13 of coaches have any training in sports skills tactics and motivational techniques In his new book Get More award winning coach Joby Slay lays out the groundwork for equipping coaches in the fundamentals of their craft The difficulty in our society in training effective motivational techniques says Slay is the complexity of the current motivational processes or educational platforms They require a significant investment of time energy and money that the average youth coach just can t spare Slay has put together a formula in Get More that is simple to teach and easy to apply for a winning motivational coaching style The book organizes these winning principles so that coaches can apply his simple formula with any team With his effective motivational formula a player s talents and potential are empowered with new self confidence to take initiative to do more be more get more and to fuel their creativity imagination and passion creating greater momentum and motivation Whether a new coach or a 30 year veteran the GET MOR3EE formula will help every coach to improve their coaching acumen resulting in their team achieving breakthrough performance results
