Literature An Introduction To Reading And Writing Compact Edition 6th Edition:

Literature Edgar Roberts, Robert Zweig, 2012 When Edgar Roberts taught literature and composition many years ago a large part of his course work involved essay writing assignments He would dedicate a substantial amount of his class time explaining how the students should prepare their writing assignments and he discovered that the more he described to his students what he wanted and the longer he explained things the better the final essays turned out to be However giving his students such explicit essay writing directions was taking up too much of his classroom time At that point Professor Roberts started to write and hand out directions thus saving him valuable classroom time Over the years he tried and tested each assignment in his own classes In addition to writing coverage Professor Roberts recognized that literature classrooms needed both writing about literature instruction and an anthology to meet the needs of the literature and composition course Literature An Introduction to Reading and Writing Backpack Edition is founded on the principles of writing about literature It is not an afterthought and it is not treated as a separate chapter or appendix but rather it is the carefully integrated philosophy of Professor Roberts approach to teaching literature and composition Complete coverage of writing about each element and a total of 13 student essays with accompanying commentary ensure student comprehension of writing about literature and therefore produce better student papers

Literature Edgar V. Roberts, Henry E. Jacobs, 2002-06 For Introduction to Literature courses and 2nd semester Freshman Composition courses that emphasize writing about literature This compact version of the best selling Literature An Introduction to Reading and Writing retains the dedication to integrating unequalled writing about literature coverage throughout It is dedicated throughout to the interlocking processes of reading and writing In addition to carefully chosen literary selections each chapter contains detailed information about the process of writing about literature with hundreds of thought provoking questions and sample student essays
