Cody and the Heart of a Champion Tricia Springstubb, 2018-04-10 Winter is finally melting into spring but with everything in flux from Cody s friendships down to her shoe size will she be able to stay true to herself In Cody s life some people keep her on her toes just like Mother Nature who is warm one day and snowy the next Or like Cody s brother Wyatt who has started wearing collared shirts because his girlfriend likes them Meanwhile Pearl has begun playing soccer and it s all she can talk about Spencer is busy creating a mysterious museum underneath GG s house and he s never around to play And Spencer s mom doesn t look any different

Could she really have a baby growing inside her Maybe the baby is like Cody s beloved ants waiting patiently inside the earth for spring to arrive It seems like everything around Cody is changing from seasons to friendships but if she can just navigate it all with her trademark enthusiasm and charm maybe the most important things will stay the same
