I Dare You Tamsin Winter, 2025-05-08 An unforgettable story that will make you laugh and cry for fans of Holly Smale and Jacqueline Wilson How far would you go for a friend A shocking poignant powerful read with a message all young teens need to hear Cathy Cassidy Willow and Alma are best friends sharing a love of the spotlight All they want is fame and fortune and Willow is determined that the best way to get it is to go viral So they start filming dares Okay so getting stuck in a basketball hoop doesn't get them the sort of attention they were hoping for but as their challenges get more extreme their fan base grows Duct taping themselves to a wall No brainer Eating super hot chillis Of course Waxing an eyebrow off Super funny And if they get in a bit of trouble it's worth it But if they really want to prove themselves they have to go all out So they come up with the perfect idea An idea that causes more than just a bit of trouble An idea that might destroy not just their ambitions but their entire friendship for good

TikTok D. Bondy Valdovinos Kaye, Jing Zeng, Patrik Wikstrom, 2022-06-16 Since its acquisition and rebranding in 2018 TikTok has become one of the fastest growing platforms in the world Moreover it's the first Chinese developed platform to find mainstream international success carving its own niche in the global short video industry In the first comprehensive exploration of TikTok Kaye Zeng and Wikstrom provide a history of the emergent genre of short video and situate the platform within the cultures and controversies that have accompanied its dramatic growth They provide an extensive overview of TikTok's functions and uses the diverse markets in which the platform operates and the issues of governance that have impacted its expansion Once thought to be just for kids the authors illustrate how TikTok is further transforming platform cultures and the dynamics of broader creative industries TikTok the authors argue represents an evolutionary step in the way culture is produced and consumed on digital platforms This timely book is essential reading for students and scholars in media and communication studies and for anyone who has been captivated by the global growth of TikTok and short video

Tik Tok Zombies K.V. Landors, 2025-11-26 A groovy teenager Marta loves her phone She considers it educational informational and most of all entertaining not like the boring lessons in the classroom or even the more boring useless homework The phone also helps the girl maintain her interesting social life And frankly speaking Marta hopes to become famous one day with the help of her phone Unfortunately her mother has a very different opinion She provided her daughter with a phone for security reasons not for being a major distraction from her daughter's academics and
