spreads will show Henderson racing to second base to claim the stolen base record while another full color spread celebrates Bond's crushing hit that set a new threshold for most home runs. All the records are here, each with an account of events and spectacular photographs that make this truly the most spectacular baseball book ever published. The Cultural Encyclopedia of Baseball, 2d ed. Jonathan Fraser Light, 2016-03-25. More than any other sport, baseball has developed its own niche in America's culture and psyche. Some researchers spend years on detailed statistical analyses of minute parts of the game while others wax poetic about its players and plays. Many trace the beginnings of the civil rights movement in part to the Major League's decision to integrate and the words and phrases of the game, for example, pinch hitter and out in left field, have become common in our everyday language. From AARON HENRY onward, this book covers all of what might be called the cultural aspects of baseball, as opposed to the number-rich statistical information so widely available elsewhere. Biographical sketches of all Hall of Fame players, owners, executives, and umpires, as well as many of the sportswriters and broadcasters who have won the Spink and Frick awards, join entries for teams, owners, commissioners, and league presidents. Advertising agents, drafts, illegal substances, minor leagues, oldest players, perfect games, retired uniform numbers, superstitions, tripleheaders, and youngest players are among the thousands of entries herein. Most entries open with a topical quote and conclude with a brief bibliography of sources for further research. The whole work is exhaustively indexed and includes 119 photographs.

Boys' Life, 1981-09. Boys' Life is the official youth magazine for the Boy Scouts of America. Published since 1911, it contains a proven mix of news, nature, sports, history, fiction, science, comics, and Scouting.

Ted & Me, Dan Gutman, 2012-03-20. With more than 1.5 million books sold, the Baseball Card Adventures series brings the greatest players in history to life. Joe Stosh Stoshack has an incredible ability: He can travel through time using baseball cards. But the FBI has learned of his talent, and now they have a mission for him: go back to 1941 and warn President Roosevelt about the attack on Pearl Harbor. Stosh is reluctant until he finds out that his ticket to 1941 is a Ted Williams card. Williams was one of the greatest hitters of all time, even though he lost years of his career to serve in the Marines. How many more home runs would the Splendid Splinter have hit if he had those years back? What if Stosh can prevent the attack on Pearl Harbor and convince Williams not to serve in the military? With black and white photographs and stats throughout, plus back matter separating fact from fiction, **Ted & Me** is the perfect mix of history and action for every young baseball fan.
