Connecting With Consumers Allan J. Kimmel,2010-06-03 These are exciting times for business managers and marketing professionals yet the challenges imposed by ongoing social and technological developments are daunting In an age in which marketers can reach their audiences with greater facility than ever before firms have never been less in control of their customer targets This increasing connectedness of consumers provides a range of unique and promising opportunities for product and brand managers Connecting With Consumers describes the various strategies and techniques that can be utilized to harness consumer influence The book traces evolving developments in the consumer marketplace considers their impact on the potential reshaping of the marketing profession and describes the emerging set of tools that can enable marketers to respond to new marketplace realities It provides clear up to date coverage of a number of topics currently on the minds of many Web 2 0 word of mouth buzz the social web social media metrics customer engagement viral and guerrilla marketing The book critically assesses emerging marketing strategies and tools within the context of research and theory

and provides numerous applied examples to illustrate marketing successes and common pitfalls to avoid. It argues throughout for a more collaborative relationship between companies and consumers towards their mutual benefit. Although the balance of power has shifted to the consumer for each of the various aspects of the marketing process, collaboration is what the future of marketing likely will be all about. Marketers can avoid irrelevance in the face of change, but this will require a clear commitment to connecting with consumers rather than searching for ways to regain control over them. The book challenges marketers to make a choice: embrace the ongoing changes as opportunities for reshaping relationships with consumers or cling to the past at the risk of becoming irrelevant. This is the book for those who choose the first alternative.

Finding Immortality Bill Conrad, 2023-06-08. It's hard enough to close the door on your past. But what do you do when it comes knocking again? Seattle-based novelist James Kimble is a new man. After acquitting old obligations, he's come clean to his fans, and life is looking up. He has a new book out, a stimulating job as a reporter, some savvy real estate investments, and a fresh desire to embrace the land of everyday living. But when a rogue tenant threatens his livelihood and the authorities begin tossing his place, looking for fresh clues to old murder cases, his life quickly spirals into the murky world of moral relativism he was trying so hard to escape. In a journey across the globe to track down the enigmatic Grace, James Kimble is pursued by immortal players obsessed with the riddle of a longer life. Trapped again in a shadowy world where ordinary life spans do not apply, he discovers the extraordinary lengths some people will go to remain among the living. Continuing in the genre of first-person psychological thriller, *Finding Immortality* is the sequel to *Interviewing Immortality* in the ongoing series by Bill Conrad.
