Answer:

Crop: Requesting that the creator post a version of the content without any captions or symbols obstructing it so that it's easy to screenshot or save.

Story time: Asking for a follow-up type of tiktok format/hashtag where stories are brief and are usually asked for when people want them to elaborate or wanna know how something went down

Why people are spamming, I'm not so sure, but I'm guessing the algorithm and users tend to like/lean toward comments like these. Still annoying though

Feel free to correct me if I'm wrong on anything
