Prof (Dr.) Raj Kumar Singh & Dr. Bhavana Singh,2023-04-04 Economic growth involves sustained and equitable gains in per capita income as well as structural shifts in an economy s product mix towards better value added commodities and more effective manufacturing processes Entrepreneurs can promote the reallocation of resources from less productive to more productive uses which will help the economy grow Entrepreneurs frequently act as innovators introducing novel products and technologies to the market developing fresh products methods and concepts as well as commercializing new information But it s a common misconception that innovation by businesspeople has less of an impact on growth in low income developing nations than it does in more developed ones This book s goal is to offer fresh viewpoints on three issues related to innovation and entrepreneurship in developing nations What effect does innovation have on growth This book is an edited book where authors have contributed their original research papers Influencer Marketing in Social Networks as a Strategic Tool in Social Media Marketing ,2022-02-17 Seminar paper from the year 2017 in the subject

Business economics Offline Marketing and Online Marketing grade 1 7 Private University of Applied Sciences Goettingen language English abstract What makes marketing with influencers so promising and how can influencer marketing in social networks be implemented as a strategic instrument in social media marketing First the development and growth in importance of corporate marketing activities is presented against the historical background of the past 60 years and how marketing and its focus have changed significantly over this time In this context the emergence of online marketing social media marketing and above all influencer marketing will be elaborated and it will be explained what makes influencer marketing so interesting for companies and their marketing objectives and how this differs from classic forms of marketing Subsequently it is explained how influencer marketing can be used as a strategic tool in social media marketing To this end three social media platforms that are particularly relevant for influencers will first be presented Weblogs YouTube and Instagram Then it will be worked out how companies can find and win over the influencers relevant to their marketing goals and which areas of application come into question for influencer marketing In addition possible risks that influencer marketing can entail are highlighted

All in Her Head Elizabeth Comen, 2024-02-13 Finalist for the 2025 PEN E O Wilson Literary Science Writing Award USA Today Bestseller *All in Her Head* accomplishes a remarkable feat of storytelling By combining essential medical histories about women's bodies with all the narrative propulsion of a medical thriller Comen has written a must read compelling and important book Siddhartha Mukherjee Pulitzer Prize winning author of *The Emperor of All Maladies* and *The Song of the Cell* Wow This book will upend everything you thought you knew about your body while empowering you to make better decisions moving forward Through storytelling extensive research and easy recommendations Dr Elizabeth Comen has given us all a priceless road map to reclaim our agency Eve Rodsky author of *Fair Play* A surprising groundbreaking and fiercely entertaining medical history that is both a collective narrative of women's bodies and a call to action for a new conversation around women's health For as long as medicine has been a practice women's bodies have been treated like objects to be practiced on examined and ignored idealized and sexualized shamed subjugated mutilated and dismissed The history of women's healthcare is a story in which women themselves have too often been voiceless a narrative instead written from the perspective of men who styled themselves as authorities on the female of the species yet uninformed by women's own voices thoughts fears pain and experiences The result is a cultural and societal legacy that continues to shape the mis treatment and care of women While the modern age has seen significant advancements in the medical field the notion that female bodies are flawed inversions of the male ideal lingers on as do the pervasive societal stigmas and lingering ignorance that shape women's health and relationships with their own bodies Memorial Sloan Kettering oncologist and medical historian Dr Elizabeth Comen draws back the curtain on the collective medical history of women to reintroduce us to our whole bodies how they work the actual doctors and patients whose perspectives and experiences laid the foundation for today's medical thought and the many oversights that still remain

unaddressed With a physician s knowledge and empathy Dr Comen follows the road map of the eleven organ systems to share unique and untold stories drawing upon medical texts and journals interviews with expert physicians as well as her own experience treating thousands of women Empowering women to better understand ourselves and advocate for care that prioritizes healthy and joyful lives for us and generations to come All in Her Head is written with humor wisdom and deep scientific and cultural insight Eye opening sometimes enraging yet always captivating this shared memoir of women s medical history is an essential contribution to a holistic understanding and much needed reclaiming of women s history and bodies Retail Management, Global Edition Barry Berman,Barry R. Berman,Joel R. Evans,Patrali M. Chatterjee,2017-10-05

For courses in Retail Management A contemporary text that helps students thrive in today s retailing industryRetail Management A Strategic Approach is built on the fundamental principle that retailers have to plan for and adapt to a complex changing environment Without a pre defined and well integrated strategy retailers may flounder and be unable to cope with the environment that surrounds them This text helps readers become good retail planners and decision makers The 13th Edition incorporates updated data that reflects the current world economic climate extensive coverage of omnichannel retailing and many new vignettes questions and cases so that students can thrive in today s retailing industry **#artselfie** Simon Castets,DIS (Organization),2014 artselfie opens with an incisive remark by Douglas Coupland who warns us that Selfies are mirrors we can freeze Selfies allow us to see how others look at themselves in a mirror making their modeling face when nobody s around except these days everybody s around everywhere all the time artselfie emerged in 2012 right as the recent photographic phenomenon known as the selfie reached it s tipping point It was subsequently activated by New York based collective DIS as an aggregated mode of art tourism and documentation These selfies and their dialogue with art are an opportunity to revisit fundamental questions such as if art is a mirror what happens when we place ourselves between it and the camera The traditional trajectory from photographer to subject via the camera has been subverted and with it the nature of images and our perception of them The artselfie makes every participant both protagonist and collaborator consumer and producer Including an introduction by Douglas Coupland author of Generation X Tales for an Accelerated Culture and ruthless observer of contemporary society and a discussion between Simon Castets director of the Swiss Institute in New York and co founder of the 89 project and DIS artselfie allows us to experience how significant and seductive this viral phenomenon is The Wealth Habit Ken Okoroafor and Mary Okoroafor,2026-03-19 The Wealth Habit shows how small well designed behaviours repeated consistently create extraordinary financial outcomes over time Steven Bartlett The Diary of a CEO Wealth doesn t start with money it starts with a habit Most people think that wealth is reserved for the lucky few those born into privilege gifted with an entrepreneurial streak or naturally skilled with money But the truth is financial success isn t about luck it s about habits The Wealth Habit is a groundbreaking behaviour driven approach to wealth building that rewires the way you think about money turning financial success into a series of tiny effortless repeatable actions

Instead of overwhelming readers with rigid budgets or complex investment strategies this book reveals how small daily financial moves compound into life changing wealth no matter where you start Whether you re struggling with money looking to break free from the paycheck to paycheck cycle or searching for a stress free automated way to build wealth this book gives you a clear habit based roadmap to make financial success inevitable Start small Repeat often Let the habit lead the way
