flowcharts diagrams and data visualizations How to Integrate Quality by Efficient Design QbED in Product Development will be a practical reference to help professionals working in the area of pharmaceutical drug development strategy and outsourcing management Part of the Expertise in Pharmaceutical Process Technology series edited by Michael Levin Integrates pharmaceutical business models economics and outsourcing related challenges into pharmaceutical product development Discusses relevant literature references in quality risk management business strategy QbD and product development Provides decision making flowcharts conceptual diagrams and data visualizations to make the book useful easy to read and to understand How to Recruit, Hire and Retain Great People Kerry Johnson MBA, Ph.D.,2022-08-23

Recruiting hiring and retaining great people are the most important skill sets any manager can acquire With talented and dedicated people any business can succeed Without great people every business will fail Yet many managers recruit only when they have a job opening often settling for those who are only good enough Yet hiring the right people is an ongoing process not a one time activity Did you know that 83% of workers are unhappy with their jobs and that 68% are actively looking for a new career opportunity Great managers keep in contact frequently with qualified recruits and talk to candidates every 3 months Poor managers wait until they have a need and then hire the wrong people Unfortunately many managers often hire those who are most like them instead of who are best suited for the open position But great managers hire slow fire fast They interview effectively and check the candidate s past performance before making an offer How someone produced and behaved in the past is likely how they will produce and behave in the future In this book How to Recruit and Hire and Retain Great People you will learn The 3 month call script and how you can use it to source great people How to use the 5 Step Bridge to find out each candidate s needs and goals The 11 key questions and how to weight them to objectively select the right person for the right job The 4 Step Training Approach that will help each candidate produce faster results How the Let s Assume Technique will help you retain great people longer **How to Save a Life** Lynette Rice,2021-09-21

THE NEW YORK TIMES BESTSELLER The first inside story of one of TV s most popular and beloved dramas Grey s Anatomy More than fifteen years after its premiere Grey s Anatomy remains one of the most beloved dramas on television and ABC s most important property It typically wins its time slot and has ranked in the Top 20 most watched shows in primetime for most of its seventeen season run It currently averages more than eight million viewers each week Beyond that it s been a cultural touchstone It introduced the unique voice and vision of Shonda Rhimes it made Ellen Pompeo Sandra Oh and T R Knight household names and injected words and phrases into the cultural lexicon such as McDreamy seriously and you re my person And the behind the scenes drama has always been just as juicy as what was happening in front of the camera from the controversial departure of Isaiah Washington to Katherine Heigl s fall from grace and Patrick Dempsey s shocking death episode The show continued to hemorrhage key players but the beloved hospital series never skipped a beat Lynette Rice s How to Save A Life takes a totally unauthorized deep dive into the show s humble start while offering exclusive intel on the

behind the scenes culture the most heartbreaking departures and the more polarizing plotlines This exhaustively enthusiastic book is one that no Grey s Anatomy fan should be without
