CSB Men of Character Bible, Revised and Updated CSB Bibles by Holman, Gene A. Getz, 2025-01-15 In a world where Christian role models seem increasingly rare this Bible reminds us that some of the most worthy examples of godly character are the biblical figures who brought leadership wisdom and inspiration to God's people. Each of these men faced trials, frustrations, and even failure, yet they were empowered by God to persevere and achieve great things for his glory. In the CSB Men of Character Bible, renowned Bible teacher Dr. Gene Getz guides men through Scripture by exploring the lives of men of character found throughout the Bible. Over 60 in-depth studies and nearly 50 profiles on these men of character provide practical insight for men and include key life principles, application questions, and important verses to remember. In addition, interactive QR code accessible video content includes teaching from Dr. Getz and real-life Q & A testimonies to help men grow in their faith and apply God's Word to their life.

FEATURES: 60 in-depth studies on men of character from the Bible placed near the associated text. Nearly 50 character profiles of men in the Bible focusing on specific character principles. More than 100 QR code accessible videos with teaching from Dr. Getz and real-life Q & A testimonies from other men. Introductions and reading plans for each book of the Bible. Robust page edge cross-reference system to enhance personal study. Smyth sewn lay flat binding meant to last a lifetime. Distinguished two-color interior designed just for men. Two-column text format. Topical subject headings. Black letter text, 9.75 point type size that is easy to read. Concordance. Presentation page for gift giving. Full color maps. 6.68 x 9 page size. The CSB Men of Character Bible features the highly readable, highly reliable text of the Christian Standard Bible (CSB). The CSB captures the Bible's original meaning without sacrificing clarity, making it easier to engage with Scripture's life-transforming message and to share it with others.

The Official SAT Study Guide, 2018 Edition The College Board, 2017-05-16 Includes 8 real SATs and official answer explanations. Cover

Book of Majors 2010 The College Board, 2009-07-07 The only book that describes majors in depth and lists colleges that offer them, four-year, two-year, undergraduate, and graduate programs. The Book of Majors 2010 is the most comprehensive guide to academic programs with in-depth descriptions of 200 of the most popular college majors. This book answers the questions: What's the major for you? Where can you study it? What can you do with it after graduation? This is also the only guide that shows what degree levels each college offers in a major, whether a certificate, associate, bachelor's, master's, or doctorate. More than 900 majors at 3,600 colleges are listed, including four-year, two-year, and technical schools, sorted by state. The guide features insights from the professors themselves on how each major is taught, what preparation students will need, career options, and employment prospects, and much more, in-depth profiles of several emerging majors.

such as Homeland Security and Sustainable Agriculture inside scoop in the descriptions of majors such as questions students should ask when visiting campuses and also professional societies and accrediting agencies to refer to for more background on the major
