Rights of the Child, Mothers and Sentencing Alice Macharia, 2021-02-22 This book draws international attention to the autonomy of the child accompanying incarcerated mothers and those they leave behind in the community despite being dependent on the convicted caregiver Adopting a child rights perspective the study explores how courts could go about sentencing mothers of young children for the commission of criminal offences whilst protecting the rights of the child as envisaged under the United Nations Convention on the Rights of the Child UNCRC Drawing on the author's experience as a sentencer in the Kenyan court and with reference to domestic regional and international law the book argues that children's rights are presently left in abeyance when their mothers are sentenced to imprisonment and that greater efforts should be made to recognize and give effect to the child's existence as an autonomous equal holder of human rights despite being dependent on the convicted caregiver It explores the application of precedence as well as the court's discretion in view of the dependent child and concludes that policy reform in this respect calls for change in attitude and approach on women and children's issues Observing that internationally most women imprisoned with their children fall beneath the custodial threshold set by law the research examines how current sentencing practices could be reformed and suggests harnessing the Power of Mercy Committee the Sentencing Guidelines and progressive practices from developed countries in protecting the child's rights by imposing non custodial sentences for the offending mothers It is concluded that in all jurisdictions strict accountability for

the dependent child should be situated with the judiciary and that the same should be pronounced as a mandatory legal requirement The book will be a valuable resource for academic researchers and policy makers working in the area of international children s rights law and criminal law **Subject Guide to Books in Print** ,1991 [What Is the World Series?](#) Gail Herman,Who HQ,2015-06-23 Strike you re out He s safe Homerun Every October millions of baseball fans around the country anxiously wait to see which team wins baseball s biggest championship But the original games of the 1900s hardly look like they do today Take a look back over one hundred years and discover the history of baseball s greatest series With triumphs heartbreak and superstitious curses this action packed book brings America s Pastime to life [World Series](#) Alan Cho,2019-08-01 The World Series is the championship competition played between the two top Major League Baseball MLB teams Each year this competition decides which team will become the MLB champion Learn more about this fascinating championship in [World Series](#) a title in the [We Are the Champions](#) series [We Are the Champions](#) is a series of AV2 media enhanced books Each title in the series features easy to read text stunning visuals and a challenging educational activity A unique book code printed on page 2 unlocks multimedia content These books come alive with video audio weblinks slideshows activities hands on experiments and much more [329 World Series Life Hacks You'll Remember](#) Albert Gillespie,2015-03-06 Here it is [World Series](#) There has never been a [World Series Guide](#) like this It contains 329 answers much more than you can imagine comprehensive answers and extensive details and references with insights that have never before been offered in print Get the information you need fast This all embracing guide offers a thorough view of key knowledge and detailed insight This Guide introduces what you want to know about World Series A quick look inside of some of the subjects covered 1990 World Series Radio and television coverage 1976 World Series Background 1948 World Series Game 1 1965 World Series Game 2 1995 World Series Game 5 1918 World Series Composite box 1982 World Series 1962 World Series Game 3 2005 World Series Game 2 1959 World Series Game 5 1952 World Series Game 6 1975 World Series Game 1 1980 World Series Game 1 1918 World Series Game 6 1949 World Series Game 2 1958 World Series Game 2 1976 World Series Game 3 Chicago White Sox 1959 World Series World Series of Poker Poker Hall of Fame 1966 World Series Dodgers 1986 World Series Game 1 1957 World Series MVP Lew Burdette s series statistics 1967 World Series Game 7 World Series of Poker Acquisition by Harrah s 1995 World Series Game 1 1960 World Series Game 6 Detroit Tigers 1945 World Series Champions 1953 World Series Game 4 1975 World Series Game 2 1976 World Series Composite box 1995 World Series Composite line score 1958 World Series Game 4 2010 World Series Game 1 1982 World Series Game 6 Jeff Conine Second World Series ring in Florida 1967 World Series Summary World Series of Poker Records 1959 World Series Game 1 1918 World Series Game 3 1995 World Series Background MLB Wild Card Combined wild card game division series LCS and World Series record as wild card winners and much more [57th Annual World Series](#) National Baseball Congress of America,1991 [The World Series' Most Wanted](#) John Snyder,2004-02-27 Celebrate the 100th anniversary of the first
