Dixon,2013-06-19 Analyzes the cultural and social effects of the increasing digital distribution of movies discussing the ways in which it has impacted the making of motion pictures and altered the behavior and habits of the film audience **Netflix's Speculative Fictions** Colin Jon Mark Crawford,2020-12-10 Netflix s Speculative Fictions

Financializing Platform Television argues that Netflix s scaled expansion has hinged upon its ability not only to create but more importantly to communicate new forms and flows of potential value in platform capitalism wherein capital is mobilized not only from direct revenue streams but also the new value assigned to inputs and investments of data debt attention behavior taste time sociality and speculation To interpret and critique these new communications and projections of value Colin Jon Mark Crawford performs a discursive analysis of the platform television industry leader Netflix and its investor lore the multi sited narrative of value found in the company s investor relations materials and corporate communications such as letters to shareholders financial earnings reports executive interviews press releases and blog posts Netflix best represents the increasingly ubiquitous nexus of culture tech and finance industries that is platform television To better understand the emergent financial logics of this relatively new media industry we must first understand the speculative narratives and discourses of value which organize it Scholars of media studies television studies technology studies and economics will find this book particularly useful **Translation, Adaptation and Digital Media** John Milton,Silvia Cobelo,2023-05-31

Adaptation has always been central to Translation Studies and as print media becomes less and less dominant and new media become central to communication Adaptation is more than ever a vital area of Translation and Translation Studies In addition links to new digital media are examined This is the only user friendly textbook covering the full area of Translation Adaptation and Digital Media applicable to any language combination Divided into nine chapters it includes a wide range of texts from Brazilian culture ensuring an ex centric view of translation Each chapter contains an expository section case studies and student activities to support learning It emphasises the central role of Adaptation in the translation of works for the popular book market for theatre cinema radio and especially the new media This is the essential textbook for students in Translation and Adaptation Studies courses and instructors and professionals working on adaptation and transmedia projects

Captive Audience Susan P. Crawford,2013-01-08 Ten years ago the United States stood at the forefront of the Internet revolution With some of the fastest speeds and lowest prices in the world for high speed Internet access the nation was poised to be the global leader in the new knowledge based economy Today that global competitive advantage has all but vanished because of a series of government decisions and resulting monopolies that have allowed dozens of countries including Japan and South Korea to pass us in both speed and price of broadband This steady slide backward not only deprives consumers of vital services needed in a competitive employment and business market it also threatens the economic future of the nation This important book by leading telecommunications policy expert Susan Crawford explores why

Americans are now paying much more but getting much less when it comes to high speed Internet access Using the 2011 merger between Comcast and NBC Universal as a lens Crawford examines how we have created the biggest monopoly since the breakup of Standard Oil a century ago In the clearest terms this book explores how telecommunications monopolies have affected the daily lives of consumers and America s global economic standing **The GuruBook** Jonathan Low,2018-01-29 The GuruBook is an inspiring collection of 45 articles and interviews with well known thought leaders and entrepreneurs whose leadership and strategic skills have resulted in very successful businesses These renowned leaders entrepreneurs and innovators have tested their visions and assumptions and have forged revolutionary business models In this book they share their most important insights learnings and tools They cover broad topics such as entrepreneurship innovation and leadership and they illustrate why these are not separate topics but indeed must be combined and linked to succeed as a business and as an entrepreneur The GuruBook was published in Scandinavia in the Autumn of 2016 and was an instant 1 bestseller This English version of the book contains many additional exciting interviews with thinkers such as Salim Ismail Singularity University Naveen Jain Moon Express Jimmy Maymann Huffington Post Otto Scharmer Theory U Blake Mycoskie TOMS and many others The GuruBook is for burgeoning entrepreneurs leaders business developers and innovators who know that traditional business models no longer provide results in fast evolving digital and global economies Other contributing authors to the book include Simon Sinek Seth Godin Steve Blank Sonia Arrison Daniel Burrus Edgar H Schein Henry Mintzberg Tom Peters Pascal Finette Andreas Ehn Murray Newlands Brian Chesky Hampus Jakobsson Craig Newmark Danny Lange Alf Rehn Paul Nunes Nathan Furr and Mette Lykke More information can be found at www.thegurubook.org
