Finding My Way Home Reddy Suzwe, 2010-03 I had asked the ultimate question what is Life before and so now my prayers were being answered I was about to find out for myself Never imagined this is how God was going to capture my heart but he did and so the journey begun This provided insight on how God healed my broken heart as he mended and repaired my being At first it felt like I went in for an open heart surgery and I was not on any medication so every single thing that was touched on I really felt it As painful as some of the things done to me in the past felt I came to understand that was the reason why my Lord was there so I chose to allow Him into my life for healing to begin It was in Him to give and so a new heart was provided for me to be able to live pain free As I accepted the gift I was given I felt the heart beat like never before A tear drop rolled down my cheek and I knew I was transformed I came to find out it was new life in me I was coming out a new person a new being who was no longer conformed to the world but renewed enlightened enriched I woke up and realized I was no longer sleeping beauty as I got the awakening To me that was healing from the house of heaven I was now free from heartache no longer day dreaming but living the dream The documentary touches on life experiences and showcases a woman s journey as she worked to free herself from oppression rebuilding her life to make it out of the wilderness alive It turned out to be a journey of a lifetime

Bordering the Baltic Madeleine Hurd, 2010 In this book scholars from different disciplines use case studies drawn from Sweden Norway Finland and Denmark to analyze the last century s construction of engagement with and challenges to both hard and soft Scandinavian boundaries The book provide historical examples of how national borders have been contested by Scandinavian states caught between powerful Continental neighbors these attempts to firm up boundaries can be contrasted to the denationalization of borders caused both by the globalization of communications and markets and by political efforts to submerge national

boundaries in a common Baltic identity A second set of studies focuses on boundaries defining Scandinavian minorities Here the book analyzes the spaces rituals bodies gender roles and collective identity discourses implicit in majority minority boundaries and their transgression Throughout Scandinavian bordering processes are studied in terms of the groups that launch them the methods by which they are propagated and finally the meanings supposedly and actually invested in them Series Nordische Geschichte Vol 10 You're Smarter Than You Think Seymour Epstein, Archie Brodsky, 1993 In this important book Elaine Breslaw claims to have rediscovered Tituba the elusive mysterious and often mythologized Indian woman accused of witchcraft in Salem in 1692 and immortalized in Arthur Miller's *The Crucible* Reconstructing the life of the slave woman at the center of the notorious Salem witch trials the book follows Tituba from her likely origins in South America to Barbados forcefully dispelling the commonly held belief that Tituba was African The uniquely multicultural nature of life on a seventeenth century Barbadian sugar plantation defined by a mixture of English American Indian and African ways and folklore indelibly shaped the young Tituba's world and the mental images she brought with her to Massachusetts Breslaw divides Tituba's story into two parts The first focuses on Tituba's roots in Barbados the second on her life in the New World The author emphasizes the inextricably linked worlds of the Caribbean and the North American colonies illustrating how the Puritan worldview was influenced by its perception of possessed Indians Breslaw argues that Tituba's confession to practicing witchcraft clearly reveals her savvy and determined efforts to protect herself by actively manipulating Puritan fears This confession perceived as evidence of a diabolical conspiracy was the central agent in the cataclysmic series of events that saw 19 people executed and over 150 imprisoned including a young girl of 5 A landmark contribution to women's history and early American history Tituba Reluctant Witch of Salem sheds new light on one of the most painful episodes in American history through the eyes of its most crucial participant Coherence in the Midst of Complexity H. Letiche, M.
