## **The Ragozin Complex:**

**The Ragozin Complex** Vladimir Barsky,2011 The Ragozin Complex is a flexible and versatile chess opening system that despite its popularity rarely has been a subject of serious study in chess literature A hybrid of the Queen s Gambit and the Nimzo Indian Defence the Ragozin featured in a famous book by Soviet theoretician Lipnitsky in the 1950s Bobby Fischer decided to learn Russian to be able to read that work and immediately afterwards started playing the Ragozin In recent years the Ragozin has had a tremendous revival and is now being used at top level by players like Vladimir Kramnik Levon Aronian and Vasily Ivanchuk In this book the first monograph on this important system acclaimed chess author Vladimir Barsky provides a comprehensive coverage of themes and variations both for Black and for White For the first time in history amateur players can acquaint themselves with the important Ragozin System and start playing this flexible opening with confidence

*The Scotch Game* Alexei Bezgodov,Vladimir Barsky,2020-01-01 Tried and True for More than Two Centuries The Scotch Game is a solid opening that has been tried and tested in practice by some of the strongest chessplayers in the world for more than two centuries The idea behind the Scotch Game is simple and easily understandable White eliminates in a purely mechanical fashion Black s e5 pawn which initially impedes his ambition to dominate in the center This is very appealing for White as he controls the direction of the struggle s development while Black can only try to keep pace Furthermore there are relatively simple schemes in the white repertoire in which it is enough to remember the main plans of both sides and typical maneuvers This is the second edition of Vladimir Barsky s book that first appeared in 2009 The new edition consists of seven chapters dealing with the core ideas and variations of the Scotch supplemented by 79 Illustrative Games The authors not only present detailed analysis of all lines but are also careful to discuss the ideas behind the opening If you already play the Scotch you need this book If you don t find out what you have been missing
