Copyright Office,1956 *Lost Films of the Fifties* Douglas Brode,1988 How do you define forgotten A lost film to my mind is a movie that has yet to evolve as a cult film but which has the potential to One rule of thumb in compiling the hundred films I write about here and the selection process was a long painful one was that I would severely limit the number of films featuring big stars I put a high priority on emphasizing movies that ought to be anthologized but which probably never would unless I included them here from Introduction *Lethal Performances* Otilie P. Klein,2017 This book provides an in depth analysis of representations of female murderers in modern American drama Paying close attention to the plays plot form and style the study seeks to come to terms with the dramatic and cultural function of this phenomenon Given the rarity of female murder in real life the popularity and prevalence of this theme in culture is striking and unsettling at the same time After all

a woman who kills not only violates against basic social rules but also upsets gender norms This potential to break with an ideology that rests on hierarchically structured gender binaries equips the figure of the female murderer with the power to symbolically kill established views about gender and sexuality It is this ideologically disruptive potential that makes the female murderer a fascinating object of study as her cultural figuration may provide information about the meaning assigned to women at a certain historical moment
