Paying the Price Sara Goldrick-Rab, 2016-09-01 A bracing and well argued study of America's college debt crisis necessary reading for anyone concerned about the fate of American higher education Kirkus College is far too expensive for many people today and the confusing mix of federal state institutional and private financial aid leaves countless students without the resources they need to pay for it In *Paying the Price* education scholar Sara Goldrick-Rab reveals the devastating effect of these

shortfalls Goldrick Rab examines a study of 3 000 students who used the support of federal aid and Pell Grants to enroll in public colleges and universities in Wisconsin in 2008 Half the students in the study left college without a degree while less than 20 percent finished within five years The cause of their problems time and again was lack of money Unable to afford tuition books and living expenses they worked too many hours at outside jobs dropped classes took time off to save money and even went without adequate food or housing In many heartbreaking cases they simply left school not with a degree but with crippling debt Goldrick Rab combines that data with devastating stories of six individual students whose struggles make clear the human and financial costs of our convoluted financial aid policies In the final section of the book Goldrick Rab offers a range of possible solutions from technical improvements to the financial aid application process to a bold public sector focused first degree free program Honestly one of the most exciting books I ve read because Goldrick Rab has solutions It s a manual that I d recommend to anyone out there if you re a parent if you re a teacher if you re a student Trevor Noah The Daily Show
