From A To Zay:

From A to Zay Xavier Dotson, 2015-06-02 *From A to Zay* The Indie Guide to Music Production is years of successes and failures and how you can duplicate the things I did right and avoid the things I did wrong Let s get ready to go down the list of everything you need to know about music production and perhaps life from A to Zay Xavier Dotson The whole key to Xavier s success besides the obvious God faith family has always been his consistency to keep creating whether that s making beats writing hooks scoring films or coming up with ideas to further promote something he is involved in Most people want the fame and the trappings of success without sacrificing anything In this business or in anything you do there s a price to pay to get what you want Whatever is easy usually doesn t have a whole lot of value to it anybody can have it The key is to take the smallest of action steps every day and God will put the right people and situations in your life to get you to your destiny Let me repeat that Work on something every single day that will bring you closer to your goal Stop wondering what you can do and start acting Start acting like the person you want to be and you will become that person My story is about having a vision My hope is for you to discover your gifts focus on them and work until something magical happens Vision writing it down and working hard and letting God do the rest His name alone sets the tone for who he is what he does and the magnitude of his skill set Super producer Xavier Zaytoven Dotson copped his name from the German composer and pianist Ludwig van Beethoven because of the many similarities the two musicians share Both were born in Germany both mastered the organ and piano at a young age both boast a genuine interest in music and most notably possessed the same good foresight to align themselves with key people who could help further their careers For Beethoven it was the dignitaries of Vienna for Zaytoven it was Gucci Mane king of the streets of east Atlanta

Love from A to Z S. K. Ali, 2019-04-30 A Today Show Read with Jenna Book Club Pick The bighearted wildly charming painfully real love story I ve been waiting for Becky Albertalli New York Times bestselling author of *Simon vs the Homo Sapiens Agenda* From William C Morris Award Finalist S K Ali comes a heartfelt and powerful Kirkus Reviews starred review romance that s *The Sun Is Also a Star* meets *Anna and the French Kiss* following two Muslim teens who meet during a spring break trip A marvel something you find amazing Even ordinary amazing Like potatoes because they make French fries happen Like the perfect fries Adam and his mom used to make together An oddity whatever gives you pause Like the fact that there are hateful people in the world Like Zayneb s teacher who won t stop reminding the class how bad Muslims are But Zayneb the only Muslim in class isn t bad She s angry When she gets suspended for confronting her teacher and he begins investigating her activist friends Zayneb heads to her aunt s house in Doha Qatar for an early start to spring break Fueled by the guilt of getting her friends in trouble she resolves to try out a newer nicer version of herself in a place where no one knows her Then her path crosses with Adam s Since he got diagnosed with multiple sclerosis in November Adam s stopped going to classes intent instead on perfecting the making of things Intent on keeping the memory of his mom alive for his little sister Adam s also intent on keeping his diagnosis a secret

from his grieving father Alone Adam and Zayneb are playing roles for others keeping their real thoughts locked away in their journals Until a marvel and an oddity occurs Marvel Adam and Zayneb meeting Oddity Adam and Zayneb meeting The Politics of Apoliticism James Herbst,2019-02-19 In 1942 the dictatorial regime of occupied France held a show trial that didn't work In a society from which democratic checks and balances had been eliminated under a regime that made its own laws to try its opponents the government's signature legal initiative a court packed with sympathetic magistrates and soldiers whose investigation of the defunct republic's leaders was supposed to demonstrate the superiority of the new regime somehow not only failed to result in a conviction but in spite of the fact that only government selected journalists were allowed to attend turned into a podium for the regime's most bitter opponents The public relations disaster was so great that the government was ultimately forced to cancel the trial This catastrophic would be show trial was not forced upon the regime by Germans unfamiliar with the state of domestic opinion rather it was a home grown initiative whose results disgusted not only the French but also the occupiers This book offers a new explanation for the failure of the Riom Trial that it was the result of ideas about the law that were deeply imbedded in the culture of the regime's supporters They genuinely believed that their opponents had been playing politics with the nation's interests whereas their own concerns were apolitical The ultimate lesson of the Riom Trial is that the abnegation of politics can produce results almost as bad as a deliberate commitment to stamping out the beliefs of others Today politicians on both sides of the political spectrum denounce excessive polarization as the cause of political gridlock but this may simply be what real democracy looks like when it seeks to express the wishes of a divided people
