Control Cordelia Kingsbridge:

A Chip and a Chair Cordelia Kingsbridge,2019-03-11 Detective Levi Abrams and PI Dominic Russo are reunited and more committed to each other than ever but they can't truly move forward with their lives until the serial killer who's been tormenting them is behind bars. When a secret burial site is discovered in the desert with the remains of the Seven of Spades's earliest victims, that goal finally seems within reach. But just as the net is tightening, the neo-Nazi militia Utopia launches their master plan with a devastating act of terror that changes the landscape of Las Vegas forever. As Levi and Dominic scramble to prevent the city's destruction, they're opposed by treacherous forces that propel them toward catastrophe. In the end, Levi's fate may rest in the hands of the very killer he's been hunting. The race to save Sin City is on, and these players are going for broke. No matter how hopeless things seem, as long as they're together and they've got a chip to play and a chair to sit in, they're still in the game.

Can't Hide from Me Cordelia Kingsbridge,2016-10-03 Running into your ex is hard enough without a dangerous stalker in the mix. Charles Hunter's team is on a mission to extract an unidentified ATF agent from an undercover job gone wrong. All they've got to go on is the rendezvous location until Charles recognizes the ex he hasn't seen in years. Their simple rescue mission is about to get a lot more complicated. For Angel Medina, adjusting to life after his cartel nightmare is hard enough without confronting memories of a failed relationship. All he wants is a fresh start. But when a violent stalker lashes out from the shadows, Angel realizes his nightmare is far from over. As the stalker's obsession escalates and bodies start dropping, Charles and Angel are thrown together in a desperate search for the culprit. Tempers flare and old passions reignite, drawing them back into the same turbulent relationship that once ended in disaster. But the stalker isn't letting go, and the next strike might hit straight through the heart.

Kill Game Cordelia Kingsbridge,2017-10-23 Homicide detective Levi Abrams is barely holding his life together. He's reeling from the fallout of a fatal shooting and his relationship with his boyfriend is crumbling. The last thing he's prepared for is a serial killer stalking the streets of Las Vegas. Or how he keeps getting thrown into the path of annoyingly charming bounty hunter Dominic Russo. Dominic likes his life free of complications. That means no tangling with cops, especially prickly uptight detectives. But when he stumbles across one of the Seven of Spades's horrifying crime scenes, he can't let go despite Levi's warnings to stay away. The Seven of Spades is ruthless and always two moves ahead. Worst of all, they've taken a dangerously personal interest in Levi and Dominic. Forced to trust each other, the two men race to discover the killer's identity, revealing hidden truths along the way and sparking a bond neither man expected. But that may not be enough to protect them. This killer likes to play games, and the deck is not stacked in Levi and Dominic's favor.

Cash Plays Cordelia Kingsbridge,2018-06-04 In this game, the stakes are life or death. The Seven of Spades is back with a vengeance; the vigilante serial killer has resumed their murderous crusade, eluding the police at every turn. But a bloodthirsty killer isn't the only threat facing Sin City. A devious saboteur is wreaking havoc in Las Vegas's criminal underworld, and the entire city seems to be barreling toward an all-out gang war. As Detective Levi

Abrams is pushed ever closer to his breaking point his control over his dangerous rage slips further every day His relationship with PI Dominic Russo should be a source of comfort but Dominic is secretly locked in his own downward spiral confronting a nightmare he can't bear to reveal Las Vegas is floundering Levi and Dominic's bond is cracking along the seams And the Seven of Spades is still playing to win How many bad hands can Levi and Dominic survive before it's game over

One-Eyed Royals Cordelia Kingsbridge,2018-09-10 Shattered by their devastating breakup Detective Levi Abrams and PI Dominic Russo find themselves at war right when they need each other most While Dominic is trapped in a vicious cycle of addiction Levi despairs of ever catching the Seven of Spades The ruthless vigilante's body count continues to climb and it's all Levi can do to keep up with the carnage When Levi's and Dominic's paths keep crossing in the investigation of a kidnapping ring with a taste for mutilation it feels like history repeating itself Thrown together by fate once again they reluctantly join forces in their hunt for the mastermind behind the abductions But the Seven of Spades hates sharing the spotlight and they have an ace in the hole a new batch of victims with a special connection to Levi Their murders send shockwaves through Las Vegas and change the rules of the game forever The Seven of Spades has upped the ante If Levi and Dominic don't play their cards right they'll end up losing everything
