## **Gates Of Fire:**

**Gates of Fire** Steven Pressfield, 2005-09-27 NATIONAL BESTSELLER In this powerful historically accurate novel The New Yorker the sole Spartan survivor recounts the bloody and epic battle of Thermopylae that decimated his fearsome society Vivid and exciting Pressfield gives the reader a perspective no ancient historian offers a soldier's eye view The New York Times Book Review At Thermopylae a rocky mountain pass in northern Greece the feared and admired Spartan soldiers stood three hundred strong Theirs was a suicide mission to hold the pass against the invading millions of the mighty Persian army Day after bloody day they withstood the terrible onslaught buying time for the Greeks to rally their forces Born into a cult of spiritual courage physical endurance and unmatched battle skill the Spartans would be remembered for the greatest military stand in history one that would not end until the rocks were awash with blood leaving only one gravely injured Spartan squire to tell the tale

**Gates of Fire** Steven Pressfield, 1998-10-20 Thousands of years ago Herodotus and Plutarch immortalized Spartan society in their histories but today little is left of the ancient city or the social structure of this momentous culture One of the few antiquarian marks of the civilization that has survived lies scores of miles away from Sparta at a narrow Greek mountain pass called Thermopylae It was there that three hundred of Sparta's finest warriors held back the invading millions of the Persian empire and valiantly gave their lives in the selfless service of democracy and freedom A simple engraved stone marks their burial ground Inspired by this stone and intrigued by the lore of Sparta author Steven Pressfield has brilliantly combined scholarship with storytelling Narrated by the sole survivor of the epic battle a squire in the Spartan heavy infantry Gates of Fire is a mesmerizing depiction of one man's indoctrination into the Spartan way of life and death and of the legendary men and women who gave the culture an immortal gravity Culminating in the electrifying and horrifying epic battle Gates of Fire weaves history mystery and heartbreaking romance into a literary page turner that brings the Homeric tradition into the twenty first century

*Gates of Fire* Steven Pressfield, 2020-11-19 In the Sunday Times bestseller Gates of Fire Steven Pressfield tells the breathtaking story of the legendary Spartans the men and women who helped shape our history and have themselves become as immortal as their gods Breathtakingly brilliant this is a work of rare genius Savour it DAVID GEMMELL A tale worthy of Homer a timeless epic of man and war exquisitely researched and boldly written Pressfield has created a new classic STEPHEN COONTS A really impressive book imaginatively framed historically detailed and a really gripping narrative Reader review Beautifully written and a great joy to read Reader review Go tell the Spartans stranger passing by That here obedient to their laws we lie 480 BC At a bleak pass in a far flung corner of eastern Greece three hundred Spartan warriors faced the army of King Xerxes of Persia a massive force rumoured to be over a million strong Their orders were simple to delay the enemy for as long as possible in order to buy time for the main Greek armies to mobilize For six days the Spartans held the invaders at bay In the final hours their shields broken swords and spears shattered they fought with their bare hands before being overwhelmed It was battle that would become

synonymous with extraordinary courage heroism and self sacrifice It was a battle called Thermopylae **Gates of Fire**
