Writers and Liars Carol Goodman,2025-07-15 In the latest thrilling suspense novel from Mary Higgins Clark Award winning author Carol Goodman a group of mystery authors gathers on a secluded Greek island for a writers retreat only to discover that their enigmatic host has been murdered and everyone present is a suspect They ll kill for inspiration Fifteen years ago Maia Gold attended a prestigious and very exclusive writers retreat hosted by billionaire Argos Alexander on the Greek island of Eris It s where she wrote her first book the one that should have launched a brilliant career But something dark happened on that island a betrayal that has hung over Maia ever since Now Maia finds a familiar envelope in the mail It s an invitation to return to Eris and according to social media she s not the only one from that first retreat who s been invited back This could be the second chance Maia needs to jump start her dreams A chance for reconciliation or revenge Almost all of the writers from fifteen years before have returned to Eris bringing unresolved resentments with them Soon the guests learn that their illustrious host is absent though he has left instructions for them to participate in a contest whoever can write the most suspenseful mystery while on the island will win a fortune and literary acclaim But this is no harmless game when the guests gather in the morning to share their first chapters they find Argos Alexander dead Tensions simmer as the guests try to determine who s capable of murder not just on the page but in real life On an island full of mystery writers anyone could be the killer and anyone could be the next victim Trapped together until the next boat arrives from the mainland they must sort out old grievances and figure out how to trust one another or die one by one [Hate Follow](#) Erin Quinn-Kong,2024-10-08 A rich and witty story with two complicated women at its heart Hate Follow is a beautiful debut Quinn Kong s story of an influencer mom sued by her resentful daughter is of the moment but its exploration of female power and privilege is timeless Amanda Eyre Ward New York Times bestselling author of *Lovers and Liars* This riveting thought provoking novel pulls back the curtain on influencer culture to reveal a story of a mother and daughter grappling with what they owe one another as they struggle to navigate life in the glaring public eye Influencer Whitney Golden has it all beautiful photogenic children a handsome new boyfriend a gorgeous house and designer clothes and beauty products that arrive on her doorstep every day After spending years building her brand as a widowed mother of four including twins to over a million followers the thirty seven year old is at the peak of her career But it all comes to a screeching halt when Mia her teenaged

daughter announces she's tired of the social media life. She wants nothing more to do with her mother's online brand and demands that not just she but her siblings and their deceased father be removed from Whitney's Instagram blog and just about everywhere else on the internet. When Whitney doesn't agree, Mia does the unthinkable. She sues her mother. What started as a family spat turns into a monumental case about child privacy, individual agency and modern parenting that shatters Mia and Whitney's relationship and wreaks havoc on both their lives. As the case ignites a media firestorm and unrelenting online bashing from a Greek chorus of internet snarkers, Whitney has to decide whether she's willing to risk everything she's built to win back her daughter.

Stick with It Sean D. Young, 2017-06-20 This 1 Wall Street Journal bestselling guide presents scientifically proven strategies for altering bad behaviors forever. Whether it's absent minded mistakes at work, a weakness for junk food, a smart phone addiction or a lack of exercise, everyone has some bad habit or behavior that they'd like to change. But wanting to change and actually doing it and sticking with it are two very different things. Behavioral science expert Dr. Sean Young knows a great deal about our habits, how we make them and how we can break them. In *Stick with It*, he presents crucial knowledge and practical advice to help us alter our actions and improve our lives. Drawing on his own scientific research and that of other leading experts, he identifies the crucial forces that combine to make transformation permanent. He also shares useful neurohacks to shortcut the brain's counterproductive instincts. *Stick with It* is a powerful corrective to the outdated science of habits, offering a next generation discussion of how habits can change behavior with the right approach. Packed with pragmatic exercises and real success stories, it shows that we really can control spending, stick to a diet, become more social, exercise regularly, stop compulsively checking e-mail and overcome problem behaviors forever.
