It's not an easy task, and many people don't make the effort as they probably feel it's not that important. But if you're in a place where you're questioning your lifestyle and what you do for a living, then this should be the first step you take to identify what you really want to spend the majority of your time doing.

He identified his passion for SEO and digital marketing and set up ClickDo Ltd with only a few clients in the early days.
