Adidas Wilson , What Is Social Media Engagement It is the number of shares likes and comments
A big following is great but an engaged audience is better than a big one quality over quantity
There are certain metrics used to measure social media engagement They include Use of branded hashtags Mentions Click throughs Audience and followers growth
Likes Comments Retweets shares Your followers can naturally start engaging with your content
But often you may need to encourage them a little Here are a few tricks to help you with that
Assess your engagement see how many followers you have the average number of shares and comments you get on each post and any other relevant numbers
Make sure you continue monitoring these numbers
Choose your strategy every company has different goals and strategies are thus different
Your strategy will depend on your goals This could be educating the audience collecting feedback changing the public perception etc
Understand your audience it is not easy to engage people you do not know **TikTok Playbook**
