A heart surgeon and TV star investigates why our health is declining despite our obsession with fitness and the image of health. How have we messed up our relationship with food and exercise so badly? Despite an explosion in the number of gyms, health foods, and activewear, we are more obese, less active, more stressed than ever before. We obsess over looking healthy, but our health is getting worse. Why did we start equating beauty with health? And is it possible to be fit and fat? Equipped with Instagram accounts and blogs, online wellness experts lead an army of followers towards what is labelled health, but might actually be far from it. We photograph ourselves and our food, but aren't sure whether we like the images until someone else likes them first. It seems all this health and wellness is making us unhappy, poor, and pretty unhealthy instead.

Heart surgeon and health commentator Dr. Nikki Stamp unpicks the web of online pseudoscience and urges us to take back our health from the people who don't value it as much as we do. She explores the secret of long-term motivation for healthy diet and exercise and shares the scientific value of self-kindness for true physical and mental health.

White Lotus meets The Guest List in international bestselling author S.C. Lalli's next thrilling novel where two business moguls were set to be married in the biggest event of the year until they're both found murdered the day before the wedding and a social outsider must unravel the mystery before her own hidden agenda is revealed. The wedding of influencer Radhika Singh and hotel developer Raj Joshi, a week-long affair at a luxury resort in Cabo, won't just be the event of the season; it will also mark the union of two powerful and wealthy Indian American families. Everyone who matters will be there. The outfits will be couture. World-renowned chefs and decorators will be flown in. No expense will be spared for what Radhika and Raj have coined R.R., a week of rest, relaxation, and celebration of their love. Shaylee Shay Kapoor is an outsider with an agenda of her own, but she just so happens to be dating Raj's best friend, Caleb Prescott III, and is the unwelcome plus one at the wedding. Then, on the day before the ceremony, Raj and Radhika are found dead in their luxury villa, both with gunshots to the head. Chaos descends on the hotel. Shay, the apparently devoted girlfriend, stays by Caleb's side as the investigation unfolds while family and close friends grieve and accusations run wild. The police believe the murders are a drug cartel hit, but the doors to the couple's villa have state-of-the-art locks. There was no way for the murderer to slip in. The only ones who had a key were the bride's sister.

the best men and the wedding coordinator Shay may be an outsider and she definitely has secrets of her own but she seems to be the only person with enough perspective to untangle everyone's lies and discover why anyone would want the bride and groom dead
