Russell, 2016-05-19 This very readable brief guide examines a wide range of spiritual writing that can be read for enjoyment or inspiration including some books that come from beyond any religious tradition While written from within the Christian tradition and offering introductions to the writings of medieval mystics Quakers and modern evangelists both Protestant and Catholic it also looks at classics of secular spirituality and writings from different religious traditions Each book is explained to convey a brief idea of what each one has to offer the interested reader while a Speed Read for each book delivers a quick sense of what each writer is like to read and a highly compressed summary of the main points of the book in question This is an excellent reference to dip into but within sections such as Early Christian Classics Secular Texts Lives of Inspiration and Alternative Approaches the books are arranged chronologically revealing some interesting juxtapositions and connections between them **Garden of the Soul** Mark Mah, 2014-03-13 The stories of Jesus placed in the context of the familiar and factual are filled with metaphors that audiences can understand and appreciate Metaphors not only inform and persuade but also fire up readers imaginations and get them involved as participants Humans are primed to think and feel metaphorically and so Garden of the Soul aims to metaphorically explore five landscapes that feature prominently in the Bible Each metaphorical landscape throws light on an aspect of spiritual life The bountiful garden speaks

of growth the flowing river calls for unceasing prayer the raging sea mirrors the turbulence of a journey of faith the barren desert transforms by emptying life's clutter and the high mountain challenges readers to scale its peak to glimpse a transcendent vision of God This book will inform enrich and challenge readers spiritual lives throughout their journey from garden to mountain [Beginning to Pray in Old Age](#) Susan Coupland, 1985 *Mystically Wired* Ken Wilson, 2012-07-23 We are designed to make connections to God through prayer in more ways than we can imagine Prayer can be so much more than a simple conversation It can be a wordless connection with God a step beyond the boundary of the separated self It can be a way to listen to the silence And it can be learned We can learn how to pray in ways we never thought possible It doesn't take more effort it takes more understanding Wilson's book shows how the brain is designed by God To calm itself To relax into love To become increasingly aware of how connected everything is in God To experience a deeper intimacy with our Creator Prayer is something that our brains want to do with a little help Ken Wilson tells us how Praise for *Mystically Wired* Smart savvy candid credible unafraid self-effacing and shot through with passionate love of Jesus yes hands down this is the best book on prayer that I have ever read Phyllis Tickle Compiler *The Words of Jesus A Gospel of the Sayings of Our Lord* I confess I don't normally like books on prayer but *Mystically Wired* is a big exception While this book is incredibly practical I was routinely blown away by the intuitive genius of Ken's view and application of prayer Page after page thinking I knew what was next I was surprised with fresh insight and unique perspectives on connecting with God Being an evangelist I was excited to realize I could also send this to spiritual friends who don't follow Jesus as a way to introduce him R York Moore National Evangelist InterVarsity Christian Fellowship USA It began the day Jesus disciples came to him and asked Lord teach us to pray Ever since Christ followers have been wanting to learn the ways of prayer Ken Wilson's *Mystically Wired* is an extraordinary contribution to that learning tradition It's a wonderful read that leaves you feeling Yes this is for me Yes I can do this Yes it's within reach Brian McLaren Author Speaker Activist I wandered away from religion because religion thought it had all the answers Pastor Ken Wilson though understands that life and faith are really about having the right questions If you want to pray for favors put this book down now If you want the answers the help here is only partial But if you're looking for a wide-ranging inquiry and a path that can bring you closer to the mystery without the mumbo-jumbo delve within Carl Safina Author *Song for the Blue Ocean* and *The View From Lazy Point* *Mystically Wired* was a breath of fresh apologetic air for me I pray and I experience God and I find fixed-hour prayer deeply meaningful but this book shows that God made us to do such things and our brain is wired to communicate with God Scot McKnight Karl A Olsson Professor in Religious Studies North Park University In my library there are scores of books on prayer by legends and modern guides as well It is not easy to make a genuine contribution to this body of literature But Ken Wilson has done so *Mystically Wired* manages to bring together the best of the sciences and philosophies of mind brain and consciousness with deep spirituality and candid personal reflection While it will happily fit my on my shelf it fits best in a heart yearning to pray Todd Hunter Anglican Bishop

Spiritually Revitalizing Your Community of Faith through Prayer Robert Arthur Hansen, DMin,2023-08-03 As we enter a Community of Faith for the first time we are naturally drawn to a shared spirituality It may be a congregation synagogue mosque or temple It is shared spiritually of the people at prayer which attracts us and draws us to unite with others in prayer There are three shared stands of any Community of Faith their shared faith tradition the culture of the community and the personalities of the members This book examines the elements of tradition culture and personal temperament to determine how the three become spiritually integrated at the moment of prayer The conclusion is that through an explicit assessment of these three elements members of the faith community can enrich their personal spiritual life resulting in spiritual growth and can ultimately revitalize the spiritual prayer life of the community of faith The books is a spiritual intervention of a Presbyterian congregation in Central New York in the 1980s I m grateful for the prayer group that committed there Wednesday nights during 1986 This is their story of how they were able to revitalize the spiritual life of a 150 year old three hundred member Presbyterian congregation
