

A collection of geological tools and specimens is arranged on a wooden surface. On the left, there is a silver compass with a white face and a black needle. Next to it is a black rock hammer. In the center, a magnifying glass with a black handle and frame is positioned over a rock sample. Several other rock samples of various colors and textures are scattered around, including a prominent greenish-blue rock in the foreground. The background is a dark, textured wooden surface. A solid blue vertical bar is located on the right side of the image.
