affect a direct correspondence between present reality and Eden's perfection. The findings advance a critical and therapeutic approach that acknowledges how the worldview both strengthens and subverts Pentecostalism.

**Bold Faith** Ben Pugh, 2017-03-09 Bill Johnson Joyce Meyer Heidi Baker The fame of these names is evidence enough that though the controversies are less intense the Charismatic Movement is alive and well today. It continues to attract thousands of adherents who find its vision of a supernatural lifestyle uniquely compelling. Now for the first time all that is most theologically innovative about the movement is synthesized into five distinct and original ideas. These five brand new theologies have been created not by theologians but by practitioners who believed their concepts were inspired by the Spirit. Inner Healing Shepherding Word of Faith Spiritual Warfare and Signs and Wonders. Plenty of studies have been written by Pentecostal scholars about Pentecostal theology but these tend to group the very distinct approaches of Charismatics together with Classical Pentecostals. **Bold Faith** aims to analyze and evaluate the ways in which practitioners within independent Charismatic networks especially in their Anglo American expressions have responded to the challenges of secular modernity.

**Renewal Theology** J. Rodman Williams, 2011-05-03 Renewal Theology deals with the full range of Christian truth from within the charismatic tradition. Previously published as three separate volumes Renewal Theology represents the first exhaustive balanced articulation of charismatic theology. As theology this work is an intellectual achievement. But it is much more than that. The author urges the church to undertake its task of theology in the proper spirit: an attitude of prayer a deepening sense of reverence an ever increasing purity of heart a spirit of growing love a theological approach rooted in the glory of God. Done in such a spirit theology becomes a faithful and powerful witness to the living God.
