Biblical Principles Of Discipleship:

The Biblical Principles of Discipleship Allan Coppedge, 1989 Living Victoriously In the Battles of Life BCF Writing Team, 2020-04-17 The Living Victoriously booklet is a 7 week study from BCF Based completely on Scriptures it is a practical look at everyday problems their purpose in our lives how we can overcome them and walk daily in victory in the midst of trials in the power of the Holy Spirit Living Victoriously teaches the basics of The hope we can have as we go through difficult times How and why God allows trials in our life Practical biblical principles for change How to practice those principles in our daily walk with Christ Living Victoriously is in a workbook format and focuses on practical application in your daily life providing passages for you to look up and spaces for you to answer questions It can be used as a personal devotional as a one on one study or in a small group setting Jesus did not tell His disciples that their problems would go away if they followed Him In fact He prepared them for battle telling them what they would face and taught them how to walk through those trials in victory being Himself the ultimate demonstration of victorious living Jesus also taught the disciples these things so that they could in turn teach others This short course is about Christians living victoriously in the daily battles and struggles of life It is also about how to come alongside and help others through those challenging times This course will cover the following topics Understanding tests temptations and problems biblically The biblical view of self Biblical hope Biblical change dealing with problems God s way Biblical practice our daily walk with Christ Biblical discipleship coming alongside others Believers need to see how to have victory in the midst of problems with relationships temptations to fear and worry depression life dominating habit patterns and so on Living victoriously in the midst of life s challenges is only possible with the resources that the Lord has provided to us as believers in the empowering of the Holy Spirit This course will help you learn what those resources are and provides the basic biblical principles for victory and then how to apply them in overcoming the daily problems of life Finally this training will help you know how to encourage others to do the same

Oswald Sanders, 2009-01-01 As J Oswald points out true discipleship is

more than intellectual assent to a belief in Christ it involves the whole person and lifestyle Those with only superficial belief will soon fall away from the faith but Sanders says a true disciple would rather be presented with a difficult challenge than a soft option Disciples are charged with the task of training themselves to be godly because it is their responsibility to remain spiritually fit Ever fresh topics in this time tested volume include the disciple s second chance the disciple s ambition the disciple s senior partner the disciple s Olympics the disciple s right the disciple s maturity *Biblical Principles of Discipleship* Dmitriy Y. Zherebnekov,2011 **Teaching Them Obedience in All Things** Edgar J. Elliston,1999 The seventh installment in the EMS series provides presentations originally given at meetings held in November 1998 Topics include the biblical and missiological foundations for training evangelical pastors and missionaries contextualization of curriculum Christian higher education and case studies in both postmodern settings as well as traditional ones *Principles of Discipleship* Charles G. Finney,1988-02-01 Following a period of great revival Charles Finney reached a point of physical exhaustion which resulted in his writing a series of articles on various subjects to continue the work of discipleship in the new believers scattered throughout the regions of revival These practical instructions were published in the Oberlin Evangelist periodical and took the form of letters addressed to specific themes They now are collected and edited by Pastor L G Parkhurst to appear for the first time in book form As well as letters concerning sanctification major themes include Finney s letters To New Christians To Ministers To Parents To Christians **Biblical Principles for Motivation to Discipleship** Ralph C. Rittenhouse,1982 **The One Step with Jesus Restoration Program** Robert Vann,2020-01-27 A STRICTLY BIBLICAL PERSPECTIVE MINISTRIES has developed the WORD FOCUS FELLOWSHIP GROUP as a Christian alternative to the world s recovery system which addresses addiction by teaching individuals how to manage sin addiction through behavioral modification Jesus Christ did not give His life on Calvary so a Christian could learn to manage sin but so that they could be set free from the penalty power and eventually the presence of sin God s plan for addressing addiction is far superior to man s plan because it not only restores a believer physically socially and psychologically but it addresses the root cause of addiction spiritual death God s plan salvation spiritually changes a person s nature and provides the potential for their soul to be restored mind will and emotions as well and addresses all of life s issues A WORD FOCUSED FELLOWSHIP GROUP Level 1 is a highly interactive open ended discipleship group based on 5 Biblical principles To advance from one principle to the next the group process requires an individual to learn a memory verse and complete a designated exercise that must be shared within the group It is a discipleship series that takes the Body of Christ back to biblical basics founded on the doctrines of salvation repentance rebirth justification and adoption positional and progressive holiness sanctification Emphasis is placed on a believer understanding and accepting their new identity in Christ enabling them to Walk in the Spirit It is designed with a biblically strategic format with a five fold in purpose A STRICTLY BIBLICAL PERSPECTIVE MINISTRIES has developed a Facilitator Guide for use in conjunction with the WORD FOCUSED FELLOWSHIP GROUP The Facilitator

This book is a call for a radical commitment to following Jesus in terms of His conditions It laments the fact that too many professing Christians are contented with a very comfortable form of religion without dedicating themselves to the cause of the gospel Disciples are those who make things count They are never satisfied with the status quo They desire to see revival and renewal wishing to see lives transformed and numerical growth in the Church There is a passionate desire to fulfil the call of God on their lives They become an integral part of the vision and mission of their churches **Brave New**

Discipleship Max Anders,2015-02-10 **Brave New Discipleship** presents a new and comprehensive discipleship model for Christians living in a culture that has grown increasingly hostile to spirituality This book is a toolkit of biblically sound ways to grow and strengthen your church We live in a social climate that tries to force spirituality to take a backseat to cultural demands We see this in the way technology has made it easy to access any kind of moral degradation We see this in the deteriorating ethical landscape of popular culture from unrestrained violence to open explorations of deviant lifestyles Many young Christians see this as normal In response to this Christians and especially the church at large need a holistic discipleship strategy that addresses all areas of life to meet the new challenges of a radically shifting and secular modern world Max Anders will help you and your church integrate the best of modern educational research to guide the most effective discipleship strategy possible Using strong biblical principles **Brave New Discipleship** Explores the seven spiritual responsibilities or marks of a Christian Describes the three educational goals in a Christian s life that lead to spiritual growth Explains and employs a set of knowledge lifestyle and ministry skill methods that impact the Christian s life and walk with Christ Throughout Anders explores Scripture and sheds light on what is negotiable and what is non negotiable for modern ministry Features include Memory exercises to help the reader absorb a summary of what he or she has read Understanding exercises to help the reader put into his own words what he or she has read to be sure he grasps the truth Application exercises to allow the reader to apply the truth to his or her personal life **The Five Pillars of Discipleship** Chima E

Umejiaku,2020-03-13 Christian discipleship is a fundamental biblical trust demonstrated in the ministry of Jesus Christ and within the early church Knowing the importance of discipleship Jesus walked closely with his disciples to influence their lives so they could in turn influence the world an impact felt around the world for many generations Christendom today puts less emphasis on the importance of Christian discipleship and the result is a generation of believers who are not deeply rooted in the basic principles of Christianity Proper Christian discipleship can not only equip believers with tools for effective ministry

but also establish in them the basic biblical truths that they can pass on to future generations The Five Pillars of Discipleship stresses the importance of five basic principles in Christian growth Word of God prayer evangelism fellowship and praise and worship Christians who constantly practice these things will be spiritually strong and also sound in Christian doctrines Uplifting and encouraging this guide calls on pastors and ministers of the gospel to return to the fundamental truth of biblical discipleship for the benefit of all believers and their ministry

Discipleship Defined Eric Russ, 2010-11 DON T read this book if you want to remain comfortable Eric challenges us to consider what Biblical discipleship looks like based on what Jesus did Eric writes this book with the integrity of a man who is not merely theorizing about the way things ought to be rather he is describing what is actually happening as he builds Biblical disciples in the context of the inner city This book is soundly Biblical challenging and practical This book is about building disciples not programs Roger Hershey Campus Crusade For Christ It is a joy to highly commend to all Discipleship Defined for it is exactly the prescription that is needed for the Church to regain much of our lost effectiveness Discipleship Defined has carefully described yet without programming it into a rigid system how to go about this challenging task Walter C Kaiser Jr President Emeritus Gordon Conwell Theological Seminary Eric Russ gives us some very straight forward thinking about discipleship a topic widely misunderstood and undervalued Moving away from piety driven discipleship Russ points us toward a holistic Christ centered way of following Jesus Jonathan Dodson Lead Pastor Austin City Life Austin TX Eric has a healthy obsession about strong discipleship and it shows in a gracious way in this guidebook for muscular commitment Can you be obsessed and still have a gracious spirit Eric does and so does this book Knute Larson Senior Pastor The Chapel Akron OH 1983 2009 Eric Russ is lead pastor of Mack Avenue Community Church in Detroit Michigan He is married to Sara and has four children For more information visit [www discipleshipdefined com](http://www.discipleshipdefined.com) or [www mackave com](http://www.mackave.com)
