Chojun:

Chojun Goran Powell,2012 When Kenichi Ota retires he is the same age as his karate teacher Chojun Miyagi was when he died Ota decides to honor his teacher by writing his memoirs As a young man Ota accompanied Miyagi to China searching for the meaning of karate Upon their return to Okinawa they learn the Japanese have just destroyed Pearl Harbor Ota is conscripted to Colonel Yahara in charge of the island s defenses and finds himself in the epicenter of the Battle for Okinawa Ota and Miyagi are forced to adapt to a new world order to rebuild their island and preserve Miyagi s brand of karate

Ethnoecology, Livelihood and Culture of The Karbis Somenath Bhattacharjee, Jushna Beypi and Rengmini Tokbipi,2024-01-01 Northeast India is a rich zone of ethnic and cultural diversity In Assam the Karbis are numerically third highest Tribal group However very few systematic Anthropological researches have been conducted on their indigenous knowledge and perspectives of ethno ecology It can be noted that the Karbis have their own identical cultural practices and social customs with their unique ethno ecological approach Primarily they are dwelling in the Karbi Anglong district of Assam The said district is geographically in a very strategic location in the hinterland of Nagaland Meghalaya state and Nagaon district of Assam The present book is an attempt to have a detailed account on the little known Karbi Tribal group of Northeast India from their ethno ecological perspectives The book has focused primarily on the issues related to their origin and ethnic distribution society culture traditional economic organization religious beliefs and practices material culture as a whole The present book is the first ethno ecological approach on the Karbis from Anthropological perspective

Fundamentals of Freestyle Goju-Ryu C.L. Sajnog,2004-06 Fundamentals of Freestyle Goju Ryu is the first karate book to take the classroom to the student You not only get the benefits of a complete karate book but when you buy the book you also get access to an interactive members only website In this groundbreaking book you will find chapters on the history of karate basic techniques advancement requirements as well as step by step instructions for every kata necessary to obtain your black belt The techniques and katas contained in this book have been tested and proven to work for over 100 years Great care has been taken to ensure you will not only learn these techniques but will also understand why they work and when to use them This is not a book about tournament or sport karate Sensei Sajnog teaches traditional Okinawan techniques used for physical and mental growth as well as self defense No book on karate has ever made learning so easy It s like having a Sensei in your home 24 hours a day Other karate books only show you pictures of the beginning and the end of each movement Fundamentals of Freestyle Goju Ryu describes in detail each technique from start to finish If you re ever in doubt or just want to check and make sure you re doing it right log on to Freestylegoju.com and see a demonstration performed by Sensei Sajnog Bubishi ,2016-05-31 Treasured for centuries by karate s top masters the Bubishi is a classic Chinese work on philosophy strategy medicine and technique as they relate to the martial arts Referred to as the bible of karate by famous master Chojun Miyagi for hundreds of years the Bubishi was a secret text passed from master to student in China and later in

Okinawa All of karate s legendary masters have studied it applied its teachings or copied passages from it No other classic work has had as dramatic an impact on the shaping and development of karate as the Bubishi Karate historian and authority Patrick McCarthy spent over ten years researching and studying the Bubishi and the arts associated with it The first English translation of this remarkable martial arts manual includes numerous explanations and notes McCarthy s work also includes groundbreaking research on Okinawan and Chinese history as well as the fighting and healing traditions that developed in those countries making it a gold mine for researchers and practitioners alike For the final word on the true origins and spirit of classic Okinawan martial arts one need look no further This karate book is one of the best karate training supplements available

Yushikan C. Michial Jones,2011-08 This book draws extensively upon the author s personal experiences training research and discussions with some of the world s most prominent masters This work contains the entire text *Entering Through the Gateway of Gojuryu* along with 53 additional pages that are directly aimed at the students of the Yushikan dojo to assist them in their journey along the path of Gojuryu however it may be used as a guide by other s interested in Okinawan Gojuryu Karate do Forewords by Phillip Koeppel R Choji Taiani Col Roy Hobbs Dennis May and Len Pellman

A Goju Ryu Guidebook Michael P. Cogan,Michael P. Cogan Mse,2003 A Goju Ryu Guidebook The Kogen Kan Manual for Karate gives the reader a tool to navigate the history exercises equipment techniques kata forms and kumite sparring of Okinawan Goju Ryu Karatedo The purpose of this guidebook is to serve as a training aid in furthering the development of karate students and instructors from the Kogen Kan specifically and all karate students generally however if it helps only one person then I will consider it a success Please keep in mind that much of this information is in notation form and may only make sense with proper instruction This guidebook is only a tool to help in the retention of instruction and is not a substitute for it Also please keep in mind that although others have assisted with this guidebook all errors are my own This guidebook is formatted in such a way as to be the beginnings of a filing and retrieval system As each student collects more information they can organize it by adding it to the notes area of the respective sections It is hoped that all students will research collect and share material about karate It is this type of systematic approach that brings science to the art It is also written so that a lesson plan can be developed quickly by choosing one or more activities from several sections If more details are needed while teaching they can quickly referenced in the rest of the manual Each chapter is given a table of contents to further hasten referencing It has a spiral coil binding so it will lay flat for easy viewing during training Large font also helps in referencing the information from a distance Much of this guidebook is written in Japanese This is done for two reasons first it is important to learn Japanese as it will help standardize everyone s martial arts training and secondly this will help keep this information in the purview of the serious It is a barrier which will hopefully weed out some who may not use the martial arts for purposes which they were intended namely the protection of self and others Thank you for reading this guidebook
